14. Application(s) for Funeral Establishment

A. Recommended for Approval with Conditions

(1) Sanchez Rehoboth Mortuary LLC d/b/a Sanchez Rehoboth Mortuary and Cremation Services (St. Petersburg)

Ms. Simon – An application for a Funeral Establishment was received on April 25, 2017. The application was complete when submitted. The Funeral Director in Charge will be Irving Sanchez III (F077932). All fingerprint cards were returned with no criminal history. The Division is recommending approval subject to the condition that the establishment passes an onsite inspection by a member of Division Staff.

Mr. Helm – Mr. Chair, this is Helm. I have a question for you.

Chair – Mr. Helm, go right ahead.

Mr. Helm – This is for the Division. On the cremation part (4a), “Will cremation services be offered by this funeral establishment?” They checked no and then they checked “make arrangements for.” That is still offering the service, isn't it? Shouldn't they check yes?

Ms. Simon – Yes, it looks like that was in error.

Mr. Helm – Ok. The other one is the same way. Eternal Rest is the same way, too.

Chair – Will the Division please check with the applicant and make sure that its yes and not no, on both of those?

Ms. Simon – Yes sir. I believe that you will find, I hope that you will find the contracts for both of those in your package.

Mr. Helm – Yes, I found it.

Ms. Simon – I would assume that that means that they intend on offering those services, but we will double check.

Chair – Thank you very much. Any other questions or comments?

MOTION: Mr. Helm moved to approve the application subject to the conditions that the establishment passes an onsite inspection by a member of Division Staff and clarification on the answer to question (4a) of the Cremation section of the application. Mr. Hall seconded the motion.

Ms. Simon – Mr. Helm, we will look in to that, but if you could make the motion not contingent upon that. If you could rephrase the motion it would be helpful to us.

Mr. Helm – What are you asking now?

Ms. Simon – If you agree that this entity should be licensed as a funeral establishment, if you could simply make the motion to do so and we will look at the matters requested by Board after this meeting.

Mr. Helm – You don't need to have that in the conditions?

Ms. Simon – No sir.

Mr. Helm – That's fine. It doesn't make a difference to me. I'll make the motion for the inspection.

Chair – So the motion is to approve with the condition that the establishment passes an onsite inspection by a member of Division Staff. Is there a second?

Mr. Hall – Second, Hall.

Chair – Thank you. All those in favor, aye?

Mr. Barnhart – As mentioned before, our Rules Workshop is on June 6th at 9:00a.m. in the Alexander Building where we usually have the Board meetings. Ms. Simon, that draft we've been working on should be going out very shortly, correct?

Ms. Simon – I would hope so. Yes, sir.

Mr. Barnhart – Board members, we've working on getting a good draft together so we'll have something to work from as a reference point for that Rules Workshop. As you see, on the Rules Report, we have several rules that have recently gone into effect. We have of course the ones we have currently in the process, which are the Disciplinary Rules, Citations, Notices of Noncompliance, and a new one there, Inspection Criteria Regarding Funeral Establishments. If there are any questions, I'll try to answer them. If I don't have the answer, let me know what it is you want to know and I will find out and get the information to you through the Board office.

Mr. Jones – Mr. Chair, this is Mr. Jones.

Chair – Mr. Jones?

Mr. Jones – Question on the June 6th Rules Workshop. Do you prefer the Board to attend that or what's your preference?

Mr. Barnhart – Personally, I think as many Board members as possible should attend the meeting. I don't know if there's any travel budget constraints. The Board staff can advise about that, but I always like as many Board members as possible to attend Rules Workshops if they can.

Chair – And we do have a Rules Committee. Who knows who sits on that Committee?

Ms. Simon – I can look up the information Mr. Chair. It would just take me a moment.

Chair – Please do.

Mr. Barnhart – In the meantime, Mr. Chair, we can start discussing the Notices of Noncompliance, if you'd like.

Chair – Let me get there. Just a moment.

Ms. Simon – Mr. Chair?

Chair – Yes?

Ms. Simon – As for the Rules Committee, the Rules Committee is made up of you, Mr. Chair, Mr. Jones, and Mr. Williams.

Chair – Okay. Thank you. Did everyone hear that the Rules Committee is myself, Mr. Jones, and Mr. Williams? Mr. Barnhart, would you go right ahead with the Notices of Noncompliance issue?

C. 69K-30.0021 Proposed Rule Worksheet (Action)

Mr. Barnhart – Yes sir. Thank you. Board members, if you remember, we talked about s. 120.695, F.S., a new requirement that the Board reviews its rules and determine which rules that they would like to designate as minor violations which do not impact the health, safety, or welfare of the consumers or public. We had a Notice of Noncompliance rule and what you have in your packet is an effort to designate those rules which myself, working with the Director and Assistant Director of the Division, came up with a draft that we thought would be appropriate for first violations of particular rules. Keep in mind that these are just rules. They're not going to be applicable to any statutory violations. I believe it was thought that statutory violations should at least be a citation for a first offense if not a regular penalty even if it was a minor penalty. So 30.0021 is a draft which we came up with to seek approval from the Board members for the new version of 69K-30.0021, which is your Notices of Noncompliance.

Chair – Any of those changes we need to discuss Board members or Mr. Barnhart?

Mr. Barnhart – I'm just here to answer any questions if you have any questions or would like to see more violations to be on there, as Notices of Noncompliance, or to take some rules off that you think should not be minor violations. This is the time to have that discussion, if you would.

Chair – The discussion is not limited to today. Is that correct, also? Could we take it up on the June 6th Rules Workshop?

Mr. Barnhart – Well, no because it was not noticed for that particular purpose. If the Board members would like more time, I think the appropriate time would be to take it up at the Board meeting in person, in Tallahassee at the end of June. What I am proposing today is, if this is appropriate, if the Board members are comfortable with it, that we get this language approved and approve the SERC Checklist, which is the next step; but if the Board members would like to have more time to look at it and discuss it and do more review that would be fine too. We would just need to put it on the agenda for the June 29th meeting.

Chair – Board members? Anyone from the Industry have any input? Hello? Ms. Coney?

Ms. Lisa Coney – Yes, my phone was on mute. I was trying to find the right button. This is Lisa Coney with Dignity Memorial SCI. I don't know if there's a sense of urgency like there is around some of these other things that have been presented, but given that we are going to be talking about exactly all these kinds of matters at the Rules Workshop on June 6th would definitely be my preference to go through that process first and see if that doesn't add to or take away from this list and then represent it with any new information we gain from that process at the next either workshop opportunity or in-person meeting.

Chair – That would certainly seem to give us time to take up the results of the Rules Committee meeting from June 6th to be able to take it up on June 29th. Mr. Barnhart, you indicated that that is certainly an option. Is that correct?

Mr. Barnhart – Yes sir. That would be fine. If the Board members would like to do that that would be fine.

Mr. Jones – Mr. Chair, this is Mr. Jones. I actually recommend that. As I look at (d) and (e), their proposed rule differs from what the stated rule is and I would like a little more time to look at it and see what comes out of the June 6th meeting. So my recommendation is to do that.

Mr. Barnhart – Mr. Jones, this is Tom Barnhart. Would you mind repeating that. You said (d) and (e) do not track the rule language or are different?

Mr. Jones – No sir. I was just looking at what was being stricken and what was being added, so I'd like a little more time and the opportunity to hear more at the June 6th meeting. I agree with Ms. Coney on that.

Mr. Barnhart – Ok. The reason, Mr. Jones, it doesn't track the same things is that we made an effort to make the rule numbers chronological, to go from the lowest number to the highest number. So that's why you'll see different language that won't match up necessarily with what's being proposed.

Mr. Jones – Yes sir. I understand. I just didn't see it picked up elsewhere, and I may have missed it.

Mr. Barnhart – Ok.

Mr. Jones – And I didn't know if that was important to have the prep room stuff in there, to have the display in this portion, but that was my only comment. I understand what you're doing. Thank you.

Mr. Barnhart – Ok.

Chair – Thank you. I would like to see this taken up then at the June 6th meeting and hopefully be voted on by the Board at the June 29th meeting. Anything else, Mr. Barnhart?

Mr. Barnhart – That concludes my report.

D. SERC Checklist for 69K-30.0021 (Verbal)

Chair – Ok, the SERC Checklist is not applicable then?

Mr. Barnhart – No sir. We'll address that when it comes time to adopt the language that you decide on.

Chair – Thank you.

Ms. Schwantes – Excuse me, Mr. Chair, this is Mary Schwantes.

Chair – Yes, Ms. Schwantes?

Ms. Schwantes – This is really a question for Mr. Barnhart. I think someone mentioned taking up the Noncompliance rules at the June 6th meeting. I don't know if that's possible, so I'm asking you about that. They're not noticed for that meeting. Is that correct?

Mr. Barnhart – Right. I think we're going to have to decide on the 29th about that particular thing. We're going to be discussing a lot of different components of the Disciplinary Guidelines so I imagine it'll come up in conversation no doubt in questions, but if someone wants to make a recommendation that certain rules be added to the Notices of Noncompliance or some taken out then they can make those suggestions and we can make the proposal at the June 29th meeting for a final vote.

Ms. Schwantes – Thank you for that clarification. Mr. Chair, I just needed to make sure that everybody knew that it was not formally noticed.

Chair – Thank you. Any other comments, Mr. Barnhart?

Mr. Barnhart – No sir.

Chair – Thank you. Board members? Good of the cause? Ms. Oliver, thank you for your participation.

Ms. Oliver – Sorry to be late.

Chair – We understand. Was there someone else?

Mr. Jones – This is Mr. Jones. I was going to ask that Ms. Simon send something out on the June 6th Rules meeting. If you'd just send a meeting notice out. I'm out of the office and I don't want to forget about it. So, thank you.

Ms. Simon – Absolutely sir. It was my intent to send it out to the Industry after today's meeting, as well as the Board members.

Chair – Good. If there's anyone else who has an interest in serving on the Rules Committee, would you please contact me. Other than that, have a good day, have a good weekend. We appreciate you.
