Name of Provider: Building Competent Insurance Agents Association

Name of Course: Communicating Insurance to Consumers for Comprehension (Webinar)

<u>Targeted audience:</u> General lines agents that are new in the business

<u>Course Objective:</u> To teach insurance agents how to communicate the terms of insurance contracts to their customers for comprehension.

**Course Relevance:** Many consumers express that they do not understand the type of coverage that was sold to them. They aren't clear of the provisions of their policy. This makes it difficult for them when it comes time to making a claim. Since most consumers rely on their agent to bridge the knowledge gap it is important that Insurance agent know how to explain various contractual allowances to their clients.

## **Unauthorized Entities Updated Verbiage:**

An entity that is required to be licensed or registered with the Florida Office of Insurance Regulation but is operating without the proper authorization is identified as an *unauthorized insurer*. All persons have the responsibility of conducting reasonable research to ensure they are not writing policies or placing business with an unauthorized insurer. Any person who, directly or indirectly, aid or represent an unauthorized insurer can lose their licenses or face other disciplinary sanctions. Please see section 626.901, Florida Statutes, to read the laws. Lack of careful screening can result in significant financial loss to Florida consumers due to unpaid claims and/or theft of premiums. Under Florida law, a person can be charged with a third-degree felony and also held liable for any unpaid claims and refund of premiums when representing an unauthorized insurer. It is the person's responsibility to give fair and accurate information regarding the companies they represent.
