

Shopping For Homeowners Insurance

Step By Step Guidance

Your Guide to Shopping for Homeowners Insurance

What type and how much coverage do I need?

Is my personal property covered?

Where can I go for assistance and guidance?

Determining the best insurance coverage for one of your largest assets, your home, can be challenging. There are several factors to consider and decisions to make. We are here to help make the process of shopping for insurance clearer and easier.

The newly launched [Shopping for Homeowners Insurance](#) webpage provides a step-by-step guide to determine your coverage needs and navigate the decision-making process.

Determining Coverage Needs

1. **Determining Coverage Needs** - The first step in Shopping for Homeowners Insurance is determining your coverage needs. There are different types of coverages offered with homeowners insurance and you want to ensure your home is adequately covered.

Find An Agent & Identify Companies

2. **Find an Agent & Identify Companies** - Once you have familiarized yourself with the types of homeowners insurance coverages and considered which you may need, you are ready to find an insurance agent and identify property insurance companies available in your area.

Tips For Shopping

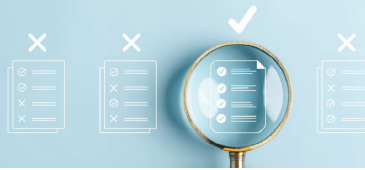

3. **Tips for Shopping** - You've determined your coverage needs, you have an insurance agent and have identified insurance companies that offer homeowners insurance in your area. Now, you and your agent are starting the shopping process: obtaining quotes for your new policy.

Apples to Apples Comparison

4. **Apples to Apples Comparison** - Now that you have determined your coverage needs, identified an insurance agent and researched potential companies, it is time to compare coverage offerings. To ensure you are properly and adequately insured, review comparable coverage and policy offerings.

Make Your Decision

5. **Make Your Decision** - You've become your best advocate and put in the effort to determine your coverage needs and learn helpful shopping and comparison tips. The final step for shopping for homeowners insurance is to choose the policy that best meets your needs.
