

## Notice of Public Adjusting Contract Cancellation

To: \_\_\_\_\_,  
(name of public adjuster)

Please be advised that Florida law allows insureds to cancel a public adjusting contract, without penalty or obligation, if:

1. A written notice of cancellation is sent by certified mail, return receipt requested, or other form of mailing that provides proof thereof, to the address specified in the public adjusting contract, and;
2. Such notice is provided within 30 days from the date of loss due Hurricane Helene, which made landfall on September 26, 2024, or 10 days from the date the contract was entered into, whichever is longer.
3. You may also cancel a Public Adjuster contract without penalty or obligation if the Public Adjuster fails to provide you or your insurer with a copy of a written estimate within 60 days of the execution of the contract, unless the failure to provide the estimate within that timeline is caused by factors beyond the control of the public adjuster, as provided in s. 627.70131(5)(a)2., Florida Statutes.

Accordingly, I am hereby cancelling the contract for Public Adjusting services entered into on the \_\_\_\_\_ day of \_\_\_\_\_, 2024. This Notice of Cancellation is made effective by operation of Section 626.854(7), Florida Statutes. Be advised that this notice of cancellation releases me from any financial obligations provided in the Public Adjusting Contract.

*It is recommended that the insured attach a non-original copy of the executed public adjusting Contract to this Notice of Cancellation.*
