On Wednesday, October 3, 2018, DIFS was formally accredited by the Commission of Florida Law Enforcement Accreditation.

The Division was formally assessed in August 14 - 16, 2018, and received a flawless evaluation with no deficiencies noted. The assessors were very complimentary of the Division and made it clear in their report to the Commission that they were impressed with the quality of our staff and the work performed.

Accreditation signifies the Division has been inspected by an independent authority and has met the specific requirements and prescribed standards meant to maintain the highest standards of professionalism in the Law Enforcement community. Accreditation is a coveted award that symbolizes professionalism, excellence, and competence.

We could not have achieved this milestone without the tireless efforts, commitment and dedication put forth by every member of the DIFS team.
