BUSINESS

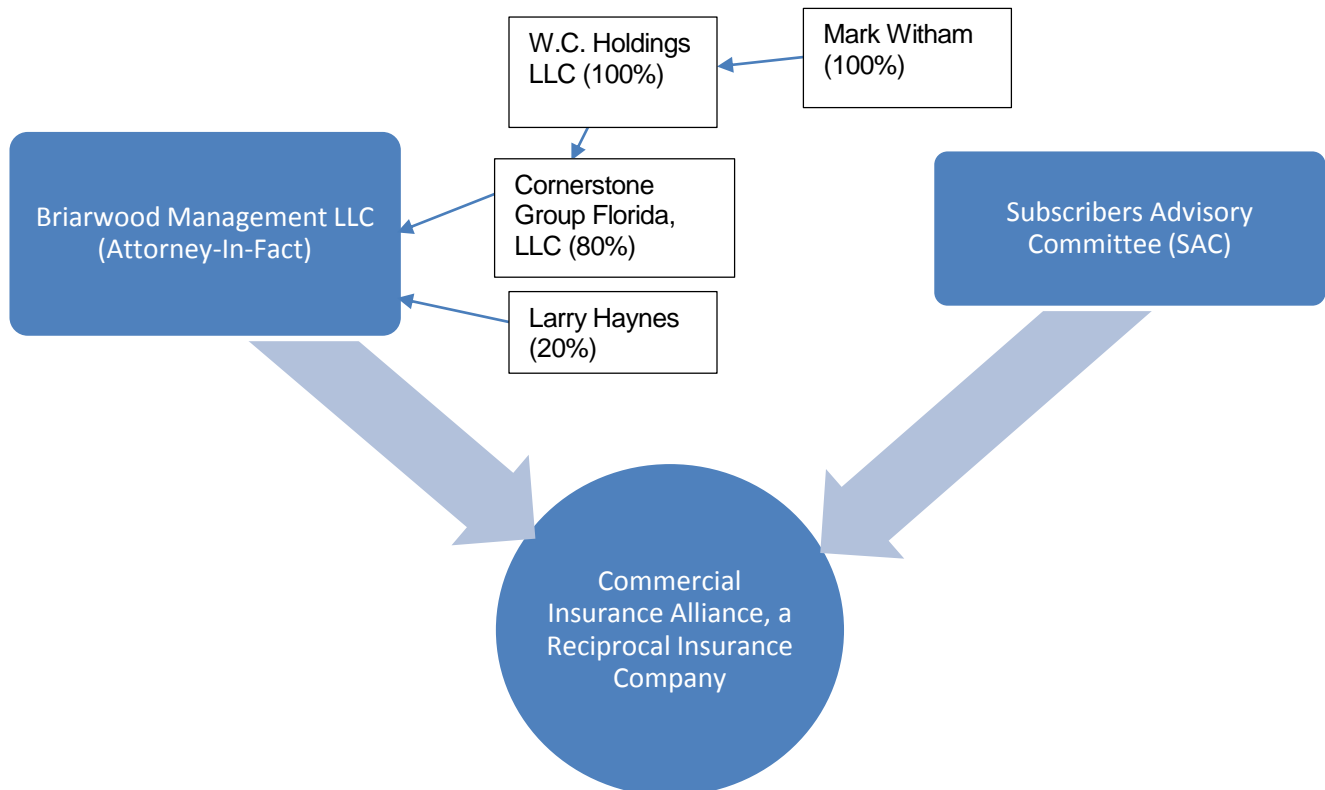

Commercial Insurance Alliance (“CIA”) was licensed on May 4, 2006, by the Florida Office of Insurance Regulation (“OIR”) as a reciprocal insurer pursuant to chapter 629, Florida Statutes.¹ CIA was an assessable, unincorporated aggregation of subscribers operating individually and collectively through an attorney-in-fact to provide insurance policies to its subscribers. CIA provided commercial multi-peril liability, commercial auto liability, and surety policies.

OWNERSHIP, AFFILIATES, MANAGEMENT

Briarwood Management LLC (“Briarwood”), a special purpose Florida limited liability company, served as CIA’s attorney-in-fact (“AIF”) and operated as the management company of CIA.² Briarwood was owned by Larry Haynes and Mark Witham,³ who were both members of the CIA’s Subscribers’ Advisory Committee (“SAC”) as of December 31, 2007, and who served as the President and Secretary of CIA, respectively.⁴

During 2006, Briarwood contributed \$1.5 million to CIA in exchange for a surplus note,⁵ and Briarwood subsequently assigned rights in the surplus note to Cornerstone Group Florida, LLC (“Cornerstone”).⁶ Cornerstone is a Florida domiciled limited liability company. Mark Witham, the majority owner of Briarwood and the Secretary of CIA, served as the president of Cornerstone.⁷

Under the AIF agreement, CIA paid Briarwood a management fee of 15% of written premium on the liability and property business and 20% on the surety business. During 2009, 2008, and 2007, CIA incurred \$283,159, \$360,043, and \$203,344, respectively for services under the AIF agreement.

CIA entered into an agreement with Compass Solutions Group, LLC. ("CSG") to perform accounting services. During 2009, 2008, and 2007, CIA incurred \$117,952, \$30,000, and \$47,000, respectively, for these services. CSG, CIA, the SAC, and Briarwood shared certain officers and directors, namely Bradley Taman and Edward Buttner.

BACKGROUND/EVENTS OF IMPACT

On May 4, 2006, pursuant to the Consent Order issued in Case No. 85640-06-CO, OIR approved an application submitted by CIA to obtain a Certificate of Authority ("COA") to transact insurance business in the State of Florida.⁸ Pursuant to the Consent Order, CIA was required, *inter alia*, to fully describe to OIR all transactions, agreements, and understandings regarding the formation and operation of CIA; to submit all future administrative service contracts, management contracts and contracts between CIA and any affiliated or related entities to OIR for approval prior to the execution and/or consummation of said contracts; and to maintain sufficient and adequate controls and supervision over its external contractors.

According to the findings of an examination conducted by OIR, in 2005, 2006, and 2007, CIA entered into agreements or arrangements with Mark Witham and/or Witham & Associates, Isabella Holdings, and Maple Technologies LLC (herein after collectively referred to as "Third Parties") that were not approved by OIR or CIA's SAC.⁹ The examination also found that as a matter of course CIA paid fees and expenses to the Third Parties without requiring the Third Parties to submit invoices or receipts identifying the services provided to CIA in return for those payments. Additionally, the examination found that Mark Witham added a certain individual as a signatory to CIA's operating account, without approval of CIA's SAC or the President of CIA. Mark Witham and the individual, Mr. Joe Cappuccio, subsequently withdrew \$40,000 from CIA's operating account and paid said funds to Isabella Holdings without prior approval from CIA's SAC or the President of CIA.

According to OIR, between 2006 and 2009, CIA paid \$469,881 in fees and expenses under affiliated agreements which had not been submitted for prior approval by OIR. These expenses were extremely high in relation to CIA's premium income and claims activity. In addition to paying monthly fees to its consultants and other affiliates, CIA also made substantial payments for the travel and entertainment expenses of the consultants. In response to questions raised by OIR's examination team, Briarwood provided explanations for these expenses which indicated that payment of the majority of the questioned

expenses were the ultimate responsibility of Briarwood and were not to be paid out of policyholder funds.

The funds paid to consultants under affiliated agreements were subsequently returned to CIA at the request of OIR. Although CIA made representations to the contrary, the returned funds were obtained from Genesis 7 Capital Management, LLC ("Genesis") in exchange for a secured promissory note issued to Genesis. The satisfaction of the note was secured by the total diluted issued and outstanding membership in Briarwood. The secured promissory note, which contemplates the membership interest in Briarwood, contained provisions which would have required OIR to approve Genesis prior to CIA entering into certain transactions with Genesis. Such prior approval was not sought.

On August 19, 2009, OIR issued an Order suspending CIA's certificate of authority ("Suspension Order")¹⁰ to write new or renewal business for thirty days based on OIR's determination that CIA willfully violated the conditions of the Consent Order; that CIA was retaining risks in amounts exceeding 10% of its surplus to policyholders in violation of section 624.609, Florida Statutes; and that without the inclusion of the funds from GENESIS, CIA would be in an impaired state, with only \$182,687 in surplus as of June 30, 2009.¹¹ The Suspension Order specified that CIA's COA would be reinstated at the end of thirty days unless OIR found that CIA was still in violation of the Insurance Code. As of September 18, 2009, CIA had not corrected all of the violations identified in the Suspension Order. Therefore, on September 25, 2009, OIR issued a letter to CIA notifying it of the expiration of its COA. On February 25, 2010, CIA surrendered its COA to OIR and entered into run-off mode which lasted until the expiration of CIA's last in-force policy in October 2010.

On September 2, 2010, CIA filed a Complaint in the Circuit Court of Fourth Judicial Circuit, in and for Duval County, Florida against The Underwriters Group, Inc., Larry J. Wright, and First Mountain Bancorp.¹² The circumstances underpinning the Complaint are related to a Letter Agreement entered in 2006 between CIA and The Underwriters Group ("TUG"), under which CIA granted TUG exclusive underwriting and collateralization rights for all bonds issued by CIA within the State of Florida.¹³ TUG agreed to arrange the issuance of an Irrevocable Trust Receipt ("ITR") from First Mountain Bancorp in an amount necessary to secure the performance of each bond. In the Complaint, CIA alleged that First Mountain Bancorp refused to release funds that were legally due and payable to CIA which were owed under various ITRs and that as a result, CIA suffered from frozen bank accounts and had judgments entered against it. The action was dismissed on April 17, 2013, for lack of prosecution.

On November 29, 2010, CIA informed OIR that there were approximately \$141,418.95 in loss and loss adjustment expenses due by December 22, 2010, that CIA would not be able to pay. Additionally, OIR received multiple reports indicating that CIA was not capable of paying its debts as they became due in the ordinary course of business. Based on the foregoing, OIR determined that CIA (1) was or was about to become insolvent; (2) had been the victim of embezzlement, wrongful sequestration, conversion, diversion, or encumbering of its assets, which if established, would threaten CIA's solvency; and (3) was in such a condition or was using or had been subject to such methods or practices in the conduct of its business, as to render its further transaction of insurance presently or prospectively hazardous to its policyholders, creditors, stockholders, or the public.

On January 19, 2011, OIR sent a referral to the Florida Department of Financial Services indicating that one or more grounds existed for the initiation of delinquency proceedings against CIA.¹⁴ On January 26, 2011, CIA consented to and this Court entered an Order appointing the Florida Department of Financial Services as Receiver of CIA for purposes of liquidation, injunction, and notice of automatic stay ("Liquidation Order").¹⁵

Combined Ratio	212.21%	117.68%	156.50%	2504.17%

The **Loss Ratio** ((Net Losses Incurred + LAE)/Net Premiums Earned) measures an insurer's loss experience, while the **Expense Ratio** ((Other Underwriting Expenses Incurred + Aggregate Write-Ins for U/W Deductions)/Net Premiums Written) measures operating efficiency. The Expense Ratio represents the percentage of an insurer's net premiums written that went toward underwriting expenses such as commissions to agents and brokers, taxes, salaries, employee benefits, and other operating costs. According to the National Association of Insurance Commissioners ("NAIC") Property/Casualty & Title Insurance Industry Report, the Loss Ratio for the industry rose from approximately 65% in 2006 to approximately 72% in 2009, while the Expense Ratio rose from approximately 26% to approximately 28% in 2009. CIA's results are extremely far from the averages for the years it wrote policies.

The ultimate measure of an insurer's overall underwriting profitability is illustrated by the **Combined Ratio** (Loss Ratio + Dividend Ratio + Expense Ratio). The Combined Ratio reflects both the cost of protection and the cost of generating and maintaining an insurer's business. A Combined Ratio under 100% reflects profitable underwriting results; a Combined Ratio above 100% reflects unprofitable underwriting results. A high Combined Ratio is normally associated with poor operating performance. CIA's Combined Ratio was consistently well over 100% for every year that it wrote policies. According to the NAIC's Property/Casualty & Title Insurance Industry Report, the average Combined Ratio for the industry fluctuated between 93% and 105% between 2006 and 2009. This range is well below the results experienced by CIA for the same time period.

REINSURANCE:

For its property risks, the CIA had three separate reinsurance agreements placed with various reinsurers and Lloyds of London syndicates. The first agreement is an 80% quota share treaty that contains a variable ceding

commission based on ceded losses and provides protection on losses up to \$1,000,000 of total insured value per location. The second agreement, per risk excess of loss reinsurance provides \$2,000,000 excess of \$1,000,000 of total insured value per location. This contract has a fixed ceding commission. The third agreement provides property catastrophe protection at 175% of gross net written premium income, but not more than \$3,000,000, in excess of \$1,250,000 per occurrence.

For its auto liability and general liability risks, CIA had excess of loss reinsurance with various reinsurers at Lloyds that provided coverage for \$900,000 in excess of the first \$100,000 per occurrence. The reinsurance premium under the agreement is based on a provisional rate adjusted based on actual ceded losses incurred.

The Receiver ultimately collected \$50,861.57 on outstanding reinsurance claims.

CONCLUSION:

Based on a review of CIA's history and business practices the causes of the CIA's insolvency appear to stem from mismanagement that resulted in operating losses, underwriting expenses which were highly disproportionate to the amount of business written, self-dealing on the part of management, and fraud perpetrated against CIA by outside entities.

The initial Retention Percentage shall be 20%. The Attorney-in-Fact may adjust the Retention Percentage to an amount greater or less than 20% subject to the 22% maximum, based on what is fair and reasonable to both Insurer and Management.

4. Payment of Expenses of Insurer. Insurer, and any regulatory authority having jurisdiction over Insurer, shall have the right to examine and audit, at the offices of Insurer, at all reasonable times, all books and records of Insurer that pertain to the management services performed by Management as Attorney-in-Fact for the subscribers to Insurer pursuant to this Agreement. This right of examination and audit shall survive the termination of this Agreement and shall remain in effect for so long as either, Insurer or Management has any rights or obligations under this Agreement.

6. Subscribers Advisory Committee Grievance Procedure. After Insurer has been in operation for one year, the senior management of Management shall meet on a quarterly basis

with the Subscribers Advisory Committee of Insurer (the "Committee") to discuss any issues of concern made known by the insureds of Insurer to the Committee. Not later than the next quarterly meeting, the senior management of Management shall provide the Committee with a written response to the issues of concern presented at the prior meeting, including a description of the actions Management has undertaken to address the issues of concern in accordance with sound and commercially reasonable insurance practices. At the next meeting, the Committee shall advise the senior management of Management if the actions undertaken by Management are reasonably addressing the issues of concern as originally presented. If the Committee is not satisfied with the results of the actions undertaken, Management shall present the issues of concern and Management's response to the Florida Office of Insurance Regulation for its guidance as to whether Management should undertake further action with respect to the issues of concern.

7. Term and Termination. This Agreement shall become effective as of the effective date of the approval of the Declaration of Organization of Insurer and shall continue in effect for a 5 year term thereafter, subject only to the right of termination set forth in this Section. This Agreement shall continuously renew for additional one (1) year terms, subject to the right of termination set forth below.

(a) Mutual Termination. Insurer and Management may terminate this agreement at any time by mutual agreement in writing.

(b) Termination by Subscribers Advisory Committee. Insurer, acting through the Subscribers Advisory Committee, may terminate this Agreement at any time if the Florida Office of Insurance Regulation or a court of competent jurisdiction has determined by a final order that an act or event has occurred that constitutes a material breach of this Agreement or that would allow the Florida Office of Insurance Regulation to (i) suspend or revoke the license of Insurer or (ii) place Insurer in rehabilitation.

8. Arbitration.

(a) In the event of any dispute or difference of opinion hereafter arising with respect to this Agreement Insurer and Management agree that any dispute or difference of opinion shall be submitted to arbitration before a panel of three arbitrators, each of whom shall be an active or retired disinterested officer of a property and casualty insurance company. One such arbitrator shall be chosen by Insurer, one such arbitrator shall be chosen by Management and the third arbitrator shall be chosen by the other two arbitrators. In the event any party hereto refuses or neglects to appoint an arbitrator within 60 days after the other party requests it to do so, or if the two arbitrators selected by Insurer and Management fail to agree upon a third arbitrator within 30 days of the appointment of the second arbitrator to be appointed, such arbitrator or arbitrators, as the case may be, shall, upon the application of any party, be appointed by the American Arbitration Association and the arbitrators shall thereupon proceed. The arbitrators shall consider this Agreement as an honorable engagement rather than merely as a legal obligation and they are relieved of all judicial formalities and may abstain from following the strict rules of law. The decision of the majority of the arbitrators shall be final and binding on all parties. Each party

shall bear the expense of its own arbitrator and shall bear one-half of the expenses of the third arbitrator and of the arbitration. Any such arbitration shall take place in Jacksonville, Florida unless otherwise agreed by the parties hereto.

(b) Notwithstanding any dispute or difference of opinion arising with respect to this Agreement, Insurer and Management must fulfill any obligations under policy contracts.

9. Indemnification.

(a) Insurer shall indemnify, defend and hold harmless Management and each member, officer, employee and agent thereof (each an "Indemnified Party"), from and against all claims, losses, damages, liabilities and expenses including, without limitation, settlement costs and any reasonable legal fees and expenses or other expenses for investigating and defending any actions or threatened actions incurred by such Indemnified Party as a result of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of Insurer, relating to or arising out of the services provided by Management hereunder, except to the extent the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted the willful misconduct or recklessness of the Indemnified Party. The foregoing indemnification right shall be in addition to the indemnification provided for in Insurer's Declaration of Organization as filed with the Florida Office of Insurance Regulation and such Indemnification provision is hereby made a part of and incorporated into this Agreement and can be enforced hereunder.

(b) Insurer shall pay expenses incurred by an Indemnified Party in defending any action or proceeding referred to in this Section 9 in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by Insurer.

(c) As soon as practicable after receipt by any Indemnified Party of notice of the commencement of any action, suit or proceeding specified in Section 9(a) such person shall, if a claim with respect thereto may be made against Insurer under this Section 9, notify Insurer in writing of the commencement or the threat thereof; however, the omission so to notify Insurer shall not relieve Insurer of any liability under this Section 9 unless Insurer shall have been prejudiced thereby or from any other liability which it may have to such person other than under this Section 9. With respect to any such action as to which such person notifies Insurer of the commencement or threat thereof, Insurer may participate therein at its own expense and, except as otherwise provided herein to the extent that it desires, Insurer jointly with any other indemnifying party similarly notified, shall be entitled to assume the defense thereof, with counsel selected by Insurer to the reasonable satisfaction of such person. After notice from Insurer to such person of its election to assume the defense, Insurer shall not be liable to such person under this Section 9 for any legal or other expenses subsequently incurred by such person in connection with the defense thereof otherwise than as provided herein. Such person shall have the right to employ his own counsel in such action, but the fees and of such counsel incurred after notice from Insurer of its assumption of the defense thereof shall be at the expense of such person unless: (i) the employment of counsel by such person shall have been authorized by

Insurer, (ii) such person shall have reasonably concluded that there may be a conflict of interest between Insurer and such person in the conduct of the defense of such proceeding or (iii) Insurer shall not in fact have employed counsel to assume the defense of any proceeding brought by or on behalf of Insurer or as to which such person shall have reasonably concluded that there may be a conflict of interest if indemnification under this Section 9 is not paid or made by Insurer, or on its behalf, within 90 days after a written claim for indemnification has been received by Insurer, such person may, at any time thereafter, bring suit against Insurer to recover the unpaid amount of the claim. The right to indemnification and the right to advancement of expenses provided hereunder shall be enforceable by such person in any court of competent jurisdiction. The burden of proving that indemnification is not appropriate shall be on Insurer. Expenses reasonably incurred by such person in connection with successfully establishing the right to indemnification or advancement of expenses, in whole or in part, shall also be indemnified by Insurer.

10. Miscellaneous.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

(b) Management is authorized, at Management's expense, from time to time in its discretion to contract with others for the performance of the management services Management has agreed to provide to Insurer under this Agreement, provided, however, that Management shall remain responsible to Insurer for the proper and timely performance of all management services contemplated by this Agreement.

IN WITNESS WHEREOF, the parties hereto gave executed this Attorney-in-Fact Agreement on the day and year first above written by the undersigned thereunto duly authorized.

Kevin M. McCarty
Commissioner
Office of Insurance Regulation
State of Florida
Tallahassee, Florida 32399-0326

Dear Sir:

Pursuant to your instructions, in compliance with Section 624.316, Florida Statutes, and in accordance with the practices and procedures promulgated by the National Association of Insurance Commissioners (NAIC), we have conducted an examination as of December 31, 2007, of the financial condition and corporate affairs of:

**COMMERCIAL INSURANCE ALLIANCE,
A RECIPROCAL INSURANCE COMPANY
9309 OLD KINGS ROAD SOUTH
JACKSONVILLE, FLORIDA 32257**

Hereinafter referred to as the "Company". Such report of examination is herewith respectfully submitted.

SCOPE OF EXAMINATION

This examination covered the period of January 1, 2007, through December 31, 2007. This was the first examination of the Company by representatives of the Florida Office of Insurance Regulation (Office). This examination commenced, with planning at the Office, on November 17, 2008, to November 20, 2008. The fieldwork commenced on December 1, 2008, and was concluded as of January 29, 2009.

This financial examination was a statutory financial examination conducted in accordance with the Financial Condition Examiners Handbook, Accounting Practices and Procedures Manual and annual statement instructions promulgated by the NAIC as adopted by Rules 69O-137.001(4) and 69O-138.001, Florida Administrative Code, with due regard to the statutory requirements of the insurance laws and rules of the State of Florida. The Company's size and its very limited control environment were taken into consideration as regards the NAIC risk-focused surveillance examination approach. It was determined that a comprehensive assessment of the Company's corporate governance, internal controls and risk management environment would not be an effective use of examination resources. Therefore, a modified risk focused surveillance approach was utilized. A reduced evaluation of the Company's enterprise risk management structure and control environment was performed.

In this examination, emphasis was directed to the quality, value and integrity of the statement of assets and the determination of liabilities, as those balances indicate the financial solvency of the Company as of December 31, 2007. Transactions subsequent to year-end 2007 were reviewed where relevant and deemed significant to the Company's financial condition.

The examination included a review of the reciprocal's records and other selected records deemed pertinent to the Company's operations and practices. In addition, the NAIC IRIS ratio reports, the Company's independent audit reports and certain work papers prepared by the Company's independent certified public accountant (CPA) and other reports as considered necessary were reviewed and utilized where applicable within the scope of this examination.

This report of examination was confined to financial statements and comments on matters that involved departures from laws, regulations or rules, or which were deemed to require special explanation or description.

Based on the review of the Company's control environment and the materiality level set for this examination, reliance was placed on work performed by the Company's CPAs, after verifying the statutory requirements, for the following accounts:

- Other invested assets
- Other expenses
- Taxes, licenses and fees
- Funds held by Company under reinsurance treaties

Status of Adverse Findings from Prior Examination

This was the first examination performed on the Company.

HISTORY

General

Commercial Insurance Alliance (Company) was licensed on May 4, 2006, by the Florida Office of Insurance Regulation (Office) for the purposes of exchanging contracts of indemnity or insurance with individuals, partnerships, corporations and other entities through the facilities of an attorney-in-fact pursuant to Chapter 629, Florida Statute, et al.

The Company was formed to provide commercial property, liability and surety coverage to businesses operating in Florida. The Company is an assessable, unincorporated aggregation of subscribers authorized to issue insurance policies under Florida insurance statutes.

Briarwood Management LLC (AIF), a special purpose Florida limited liability company, serves as the Company's attorney-in-fact and operates as the management company of the Company pursuant to a formal agreement entered into as of May 3, 2006. Management is vested with the powers and authority to exchange insurance contracts among the Company's subscribers and to manage and conduct the business of the Company.

The AIF is a Florida limited liability company which is owned twenty percent (20%) by Larry Haynes and eighty percent (80%) ultimately by Mark Witham. These two principals of Briarwood are members of the Subscribers' Advisory Committee of the Company and Mark Witham is Secretary and Larry Haynes is President of the Company.

During 2006, Briarwood contributed \$1.5 million to the Company in exchange for a surplus note and then assigned rights in the surplus note to Cornerstone Group Florida, LLC (Cornerstone). Cornerstone is a Florida domiciled limited liability company. The ultimate controlling person of Cornerstone, as stated by the Company, is Mark Witham and he serves as the President of Cornerstone.

The Company was party to Consent Order 85640-06-CO filed May 4, 2006, with the Office regarding the application for the issuance of a Certificate of Authority. The Company failed to comply with several provisions of this consent order as described in the following paragraphs.

Consent Order 85640-06-CO Section 14(h) (7) states:

“If the OFFICE issues the Certificate of Authority to APPLICANT, APPLICANT shall further comply with the following:

h.) Any arrangement or agreement with an affiliated party for the provision of administrative services shall be evidenced by a written contract. Any such contract shall comply with the following requirements.

(7) All fees and charges must be specified in the contract and they must be comparable to fees charged to any other insurer for which similar contracted services are provided by the affiliate; or, if the affiliate does not perform such services for other insurers, the fees charged must be reasonable in relation to the services provided;

The Company had two arrangements or agreements with affiliated parties for the provision of administrative services that were not evidenced by a written contract during a substantial period in which the Company was making payments.

- Consulting arrangement with Mark Witham, who serves as the Company Secretary and/or Witham & Associates since the Company's formation:

No disclosure of this arrangement has been filed with the Office and because it was a verbal agreement, no filings with the Office were made. Payments under this arrangement started at the Company's inception.

- Consulting arrangement with Isabella Holdings (Isabella):

It was disclosed by the Company that Joe Cappuccio is the President of Isabella. The Company reported that Mr. Cappuccio is also the business partner of and legal counsel to Mr. Witham, making Isabella a related party under SSAP 25.

Documentation indicated that, after repeated requests by the Company, a copy of a written consulting agreement with Isabella was provided to the Company President on January 11, 2008. The agreement states that it was made February 25, 2007, with an effective date of May 20, 2005. The agreement is signed by Mr. Witham for the Company and Mr. Cappuccio for Isabella. This agreement has never been filed with the Office.

The examiners reviewed the Company's general expense payments and noted that funds have been paid by the Company to these entities for consulting services in relation to these consulting arrangements. The fees and expenses that were paid by the Company since its inception were generally not supported by invoices or receipts disclosing the services provided the Company in return for the payments. In several instances, payments were made without

any invoices.

Payments made under these arrangements were as follows:

Payments made to Mark Witham and/or Witham & Associates from 2006 to January 20, 2009:

- \$21,239 was paid to Mark Witham directly
- \$100,081 was paid to Witham & Associates

Payments totaling \$344,723.56 have been paid to Isabella from 2006 to January 20, 2009.

Consent Order 85640-06-CO, Section 14c states

"APPLICANT shall maintain sufficient and adequate internal controls and supervision of any external contractor(s) providing services in connection with the insurance transactions of the APPLICANT, and shall further assume responsibility for the actions of said contractor(s) as they relate to any performance under the service agreements."

The Company does not maintain sufficient and adequate controls and supervision of the external contractors (Mark Witham, Witham and Associates, Isabella Holdings LLC, and Maple Technologies LLC). This was evidenced by issues such as:

- In 2005, 2006 and 2007, the Company had agreements or arrangements with Mark Witham and Witham and Associates and Isabella that were not approved by the Office or the Subscribers' Advisory Committee.
- Fees and expenses paid by the Company under these agreements since its inception were generally not supported by invoices or receipts disclosing the services provided the Company in return for the payments. In several instances, payments were made with no invoices.
- After the effective date and after funds had been paid for over two years, in January 2008, the Company first received a signed agreement with Isabella. The Isabella agreement states that the agreement was made February 25, 2007, with an effective date of May 20, 2005.
- According to correspondence supplied by the Company, in early January 2008, Mark Witham, without approval from the Subscribers' Advisory Committee and the President of the Company, added Joe Cappuccio as an authorized signatory in regards to the Company's operating account at a bank.

- On January 11, 2008, Mark Witham and Joe Cappuccio withdrew money out the Company by wiring \$40,000 to Isabella without approval from the Subscribers' Advisory Committee or the President of the Company.
- According to correspondence from Mark Witham, the fee charges for the withdrawal and the withdrawal itself were made under an agreement between Isabella and the Company that was not approved by the Company's President or the Subscribers' Advisory Committee.
- The policy administration system installed by Maple Technologies LLC has never been fully operational and the Company states that it plans to replace the entire system in the near future.

Consent Order 85640-06-CO, Sections 8, 12 and 15 of the Consent Order state:

"APPLICANT and AIF affirm that all explanations, representations, and documents provided to the OFFICE in connection with APPLICANT's application for the issuance of a Certificate of Authority, including all attachments and supplements thereto, are material to the issuance of this Consent Order and fully describe all transactions, agreements, and understandings regarding the formation and operation of APPLICANT."

Section 12 of the Consent Order goes on to say that final approval is subject to the Office receiving:

"Executed copies of all other agreements, if any, relating to the operations and management of APPLICANT."

In addition, Section 15 of the Consent Order states:

"All future administrative service contracts, management contracts and contracts between APPLICANT and any affiliated or related entities shall be submitted to the OFFICE for approval prior to the execution and/or consummation or amendment of such contracts."

The Company did not fully describe all transactions, agreements, and understandings regarding the formation and operation of the Company or file executed agreements during their application process for a Certificate of Authority with the Office. The Company had two consulting arrangements in place that were not disclosed to or filed with the Office while applying for a Certificate of Authority or subsequent to that time:

- Consulting agreement with Mark Witham and/or Witham & Associates since the Company's formation
- Consulting agreement with Isabella Holdings. As previously discussed, a copy of the consulting agreement with Isabella Holdings and CIA was provided by Mr. Witham to

the Company President on January 11, 2008.

Consent Order 85640-06-CO, Section 15 states:

“All future administrative service contracts, management contracts and contracts between APPLICANT and any affiliated or related entities shall be submitted to the OFFICE for approval prior to the execution and/or consummation or amendment of such contracts.”

- Initial Claims Administrative Agreement with Allied Adjusters, Inc.
The Company provided a letter agreement with Allied Adjusters, Inc dated September 13, 2006, regarding claim service for Commercial Insurance Alliance. However, the Company did not have a signed agreement and the agreement had not been submitted to the Office for approval as required by the Consent Order.
- Current Claims Administrative Agreement with Allied American Adjusters Company, LLC.
The Company provided a Memorandum of Understanding between Allied American Adjusting Company, LLC and the Company. The Memorandum of Understanding set forth the guiding principles by which Allied will assist the Company in the handling of claims. The agreement had not been submitted to the Office for approval as required by the Consent Order.

The Company was authorized to transact the following insurance coverage in Florida on December 31, 2007:

Commercial Multi Peril
Inland Marine
Commercial Auto Liability
Commercial Auto Physical Damage
Surety
Other Liability
Credit

The Company has not written inland marine and credit insurance within the 2007 calendar year. Therefore, in accordance with Section 624.430, Florida Statutes, the Company should have those lines of insurance removed from its Certificate of Authority. **Subsequent event:** The Company submitted a plan for writing Inland Marine and Credit business, both active but previously unwritten lines of business on their Certificate of Authority.

Being organized as a reciprocal, the Company has no articles of incorporation and was subject to and governed by the provisions of the Subscribers' Agreement which designated the Attorney-in-

Fact (AIF). Under the Attorney-in-Fact Agreement, AIF served as the management company of the Company pursuant to a formal agreement entered into as of May 3, 2006. These agreements were submitted to the Office and have not been amended during the period covered by this examination.

Capital Stock

Being organized as a reciprocal, the Company had no capital stock and was owned and controlled by its subscribers.

The following table shows the profitability trend (in dollars) of the Company for the period of operation, as reported in the filed annual statements.

Management

In the document entitled "The Powers of the Subscribers' Advisory Committee" it is stated that "The Committee shall have a regular meeting once during each calendar quarter to review the financial statements of the Reciprocal for such quarter and such other matters as the Committee shall determine".

Review of the minutes of the Subscribers' Advisory Committee indicated that the body has held only two meetings since the formation of the Company. Therefore, it is not in accordance with the "Powers of the Subscribers' Advisory Committee" document filed with the Florida Office of Insurance Regulation.

Subscribers' Advisory Committee Members serving as of December 31, 2007, were:

The Company's Subscribers' Advisory Committee has not designated any internal committees, including an audit committee.

Section 629.201, Florida Statutes, requires that the Board of Directors shall procure an audit of the accounts and records of the insurer and of the attorney-in-fact at the expense of the insurer. While the Subscribers' Advisory Committee is not expressly subject to that Section, it is a corporate governance best practice for that committee to act as an oversight and governing body in accordance with that Section. Also, the Company's "Powers of the Subscribers' Advisory Committee" document filed with the Office requires the Subscribers' Advisory Committee to procure the audit of the accounts and records of the Company and of the AIF. It further states that it should recommend to the AIF the selection of independent certified public accountants, and review the scope and results of the annual independent audit and any internal audit of the Reciprocal's financial statements. During interviews with Company officers, it was disclosed that the Company's Subscribers' Advisory Committee Chairman made the selection of the independent certified public accountants.

Conflict of Interest Procedure

The Company has not adopted a policy statement requiring annual disclosure of conflicts of interest in accordance with the NAIC Financial Condition Examiners Handbook and Section 607.0832(2), Florida Statute.

Corporate Records

The recorded minutes of the Subscribers' Advisory Committee were reviewed for the period under examination. Issues noted during that review have been discussed in this report.

Acquisitions, Mergers, Disposals, Dissolutions, and Purchase or Sales Through Reinsurance

There were no acquisitions, mergers, disposals, dissolutions, or purchases or sales through reinsurance during the period under examination

Surplus Debentures

The Company, in relation to its initial surplus requirements, has one surplus debenture in the amount of \$1,500,000 issued by the Company to the AIF, then subsequently assigned to the Cornerstone Group, LLC (Florida). No violations of the surplus note restrictions were noted during the examination.

AFFILIATED COMPANIES

The Company, being a reciprocal owned by its subscribers, was not a member of an insurance holding company system as defined by Rule 69O-143.045(3), Florida Administrative Code. The

AIF is part of a holding company system and also responsible for all management and administrative services required for the operation of the Company. Therefore, under the provisions of Statement on Statutory Accounting Principles 25, Paragraph 2 (i), the AIF and its affiliates were considered related parties to the Company.

The AIF was owned twenty percent (20%) by Larry Haynes and eighty percent (80%) by Cornerstone Group Florida, LLC (Cornerstone). The ultimate parent and controlling person of Cornerstone was Mark Witham and he serves as the President of Cornerstone.

The two principals of the AIF were also officers and members of the Subscribers' Advisory Committee of the Company. Mark Witham is Secretary and Larry Haynes is President of the Company.

As indicated earlier in this report, Mark Witham has received consulting fees from the Company.

Also as indicated earlier in this report, payments have been made under a consulting arrangement with Isabella Holdings (Isabella). Joe Cappuccio, President of Isabella, is also the business partner of and legal counsel to Mark Witham, making Isabella a related party under SSAP 25. These arrangements and payments have been discussed previously in this report.

During 2006, the AIF contributed \$1.5 million to the Company in exchange for a surplus note and then assigned rights in the surplus note to Cornerstone.

The following agreements were in effect between the Company and its related parties:

Management Agreement

As previously discussed, the Company had an attorney-in-fact agreement in place with Briarwood Management LLC (AIF) wherein the AIF agreed, in return for management fees, to provide all necessary and appropriate management services, including the day-to-day administration and management of the Company's insurance business which consists of the underwriting of new business, claims adjustment, appropriate record production and the provision of all senior management.

Consulting Agreements

As discussed earlier in this report, the Company had two consulting agreements with Isabella and Witham and Associates.

FIDELITY BOND AND OTHER INSURANCE

The Company stated that it does not have any fidelity insurance coverage. Rule 69O-142.011(11)(b)16, Florida Administrative Code, requires the Company to obtain a fidelity bond in accordance with and in an amount determined by the method provided in the NAIC Financial Examiners Handbook. The examiners determined, using that calculation method, the Company's minimum bond should be \$50,000.

PENSION, STOCK OWNERSHIP AND INSURANCE PLANS

The Company had only one employee, and had no pension, stock ownership or insurance plans.

STATUTORY DEPOSITS

The following securities were deposited with the State of Florida as required by Section 624.411, Florida Statutes:

STATE	Description	Market Value
FL	Cash	<u>\$ 752,883</u>
TOTAL SPECIAL DEPOSITS		<u>\$ 752,883</u>

INSURANCE PRODUCTS AND RELATED PRACTICES

Territory

At December 31, 2007, the Company was authorized to transact insurance only in the State of Florida.

Insurance Products

The Company has developed and marketed commercial insurance and ancillary products to Florida based commercial interests.

Treatment of Policyholders

During the examination, the Company stated that it has had inquiries but no complaints since the formation of the Company and, therefore, no complaint control log has been initiated. The Company must have in place formalized and documented procedures for handling complaints against the Company in accordance with Section 626.9541 (1) (j), Florida Statutes.

REINSURANCE

Assumed

The Company did not assume any reinsurance risk for the period covered by this examination.

Ceded

At December 31, 2007, the Company had two reinsurance contracts in effect which resulted in the following:

- Covers Company's General Liability written under Commercial Package Policies and Commercial Auto Liability excess of loss reinsurance for \$900,000 xs \$100,000 per occurrence.
- Covers Company's Commercial Package Policies, Property only, quota share reinsurance of 80%, subject to a maximum recovery of 50% of gross ceded premium, but no less than \$1,250,000 or greater than \$2,500,000 as respects one event. As respects hurricane events, maximum recovery was 100% of gross ceded premium subject to a maximum of \$4,500,000.

It was determined that the Company did not have a formal contract with its reinsurance broker as required by Section 626.7492(4), Florida Administrative Code, which states that..." a transaction between a reinsurance intermediary broker and the insurer it represents in the capacity of a reinsurance intermediary broker may be entered into only pursuant to a written authorization specifying the responsibilities of each party."

Subsequent Event:

Prior to completion of this exam, the Company provided the examiners a copy of a contract enacted between the Company and its reinsurance broker.

ACCOUNTS AND RECORDS

The Company maintained its principal operational offices in Jacksonville, Florida, where this examination was conducted.

An independent CPA audited the Company's statutory basis financial statements for the year 2007, in accordance with Section 624.424(8), Florida Statutes. Supporting work papers were prepared by the CPA as required by Rule 69O-137.002, Florida Administrative Code. This work was reviewed and utilized where appropriate by the examiners.

The Company's accounting records were maintained on a computerized system. The Company's balance sheet accounts were verified with the line items of the Annual Statement submitted to the Office.

It was determined during examination that general expenses paid in 2008 that were incurred in 2007 were \$40,000 above the \$62,075 reported by the Company. As a result, this liability has been increased by that amount with a corresponding adjustment to surplus as regards policyholders. A substantial amount of the increase in this liability was the result of consultant fees withdrawn in January of 2008 for bills presented the Company during 2007.

The Company and non-affiliates had the following agreements in effect at December 31, 2007:

Subscribers Agreements

The Company maintained an agreement with each subscriber during the period covered by this examination. The subscriber or policyholder agreed to pay their premiums, compensate the AIF for its services and make a one-time surplus contribution to the Company.

Claims Agreement

The Company provided the examiners a Memorandum of Understanding between Allied American Adjusting Company, LLC and the Company. The Memorandum set forth the guiding principles by which Allied will assist the Company in the handling of claims. The agreement had not been submitted to the Office for approval as required in the Consent Order. Further details concerning this agreement have been discussed previously in this report.

COMMENTS ON FINANCIAL STATEMENTS

Losses and Loss Adjustment Expenses

\$101,600

The Company's actuary rendered an opinion that the amounts carried in the balance sheet as of December 31, 2007, made a reasonable provision for all unpaid loss and loss expense obligations of the Company under the terms of its policies and agreements. INS Consultants, Inc. provided the examination actuary, who reviewed work papers provided by the Company and was in concurrence with this opinion.

Other Expenses

General expenses paid in 2008 that were incurred in 2007 were found to be \$40,000 above the \$62,075 reported by the Company. As a result, this liability has been increased by that amount with a corresponding adjustment to surplus as regards policyholders. A substantial amount of the increase in this liability was the result of consultant fees withdrawn in January, 2008, for bills presented the Company during 2007.

Capital and Surplus

The amount reported by the Company of \$725,104, which was adjusted to \$685,104, exceeds the minimum of \$250,000 required by Section 624.408, Florida Statutes.

A comparative analysis of changes in surplus follows.

SUBSEQUENT EVENTS

During the review of the Company's general expenses, the examiners noted that funds have been paid by the Company to various entities for what was termed consulting services. The examiners determined that, in some cases, the expenses being paid were not just the additional cost of starting a new company, but some questionable consulting fees and expenses.

As requested by the Office, the examiners have reviewed all amounts paid during 2008 and in 2009 up to the completion date of this examination. Also, we have performed additional review on related party expenses to determine the full extent of funds being withdrawn from the Company and the documentation available related to those payments.

The Company has reported and continues to report, extremely high expenses in relation to its premium income and claims activity, so the examiners focused on the Company's payment of funds to related and unrelated parties to determine if the payments were appropriate and the agreements covering the payments were in accordance with Consent Order 85640-06-CO. These agreements or arrangements were not properly disclosed to the Office in accordance with the Consent Order and, therefore, all of the payments made were not proper. These payments have been paid since the inception of the Company under unwritten agreements and continued under an agreement provided to the Company President during 2008.

In addition to the monthly fees being paid by the Company, a substantial amount of travel and entertainment expenses of these consultants was paid out of Company funds. A detailed review by the examiners of these payments indicated that proper authorization and documentation was not filed with the Company regarding these payments. In response to examiner questions, a letter dated February 11, 2009, was provided to the examiners from Briarwood Management LLC (the Attorney-in-Fact) regarding these expenses. Examiner review of explanations provided in the letter indicated that substantially all of the expenses discussed should have been the responsibility of Briarwood Management LLC and not paid out of policyholder funds.

Correspondence was supplied by the Company documenting attempts to obtain proper invoices and justification of charges.

Mark Witham and Isabella Holdings have agreed to repay all funds withdrawn by them or paid to them as consulting fees. The Office was notified of this statement.

Also, in a letter dated February 25, 2009, the Office notified the Company that it had failed to request the Office's approval prior to entering into affiliated agreements with Mark Witham and

Witham Associates. Payments were also made to Isabella Holdings which were not substantiated by the proper documentation of services rendered. The Office further stated that these agreements should be canceled immediately and no further payments made without the Office's prior approval. Additionally, the Company should seek the return of all fees and expenses incurred by the Company associated with the aforementioned agreements and should provide evidence of such to the Office no later than Friday, March 6, 2009. Evidence of repayment on March 6, 2009, was provided to the Office.

SUBORDINATED SURPLUS DEBENTURE

This Subordinated Surplus Debenture executed this 3rd day of May, 2006, by and between Commercial Insurance Alliance, a Reciprocal Insurance Company (hereafter "CIA"), a Florida reciprocal insurance company, and CIA's attorney-in-fact, Briarwood Management LLC (hereafter "BM"), a Florida limited liability company, the parties.

It is deemed to be in the best interest of CIA to have advanced to it sufficient surplus as to policyholders to cause CIA to be an assessable reciprocal in accord with Chapter 629, *Florida Statutes*. BM has hereby indicated its willingness to contribute to CIA acceptable funds to accomplish the purpose as set forth in this Debenture on the following terms.

Pursuant to and in compliance with Section 629.161, *Florida Statutes*, approval of the Florida Office of Insurance Regulation (the "OIR") has been obtained to the agreement for such contribution to surplus and for its repayment out of its realized earned surplus in excess of its minimum required surplus, and Board Resolutions have been issued by the Subscriber's Advisory Committee of CIA and BM, as evidenced by copies of resolutions attached.

For and in consideration of the mutual agreements as set forth, BM hereby makes a contribution to surplus of CIA in the amount of \$1,500,000.00, and CIA hereby accepts said contribution to surplus.

This Debenture is subject to the following terms and conditions:

1. Amount: the contribution to surplus in the amount of \$ 1,500,000.00 is made in the form of cash. Such cash has been approved by the OIR as found to be acceptable assets pursuant to Chapter 625, Part II, *Florida Statutes*. Legal title has been registered in the name of CIA.
2. Interest Rate: Said sum of money shall bear interest from the date of contribution at the rate of prime plus one percent per annum on the unpaid principal balance. Accrued interest shall be payable quarterly commencing on July 1, 2006, after first having been approved by the Florida Office of Insurance Regulation.
3. Repayment and Limitations: CIA shall not make any principal or interest payment in respect to this Debenture unless such payment is approved in advance by the OIR. Said approval shall not be unreasonably withheld, and shall be based on a review of the following: (i) requests for payments will be made in minimum increments of \$50,000 until this Debenture is paid in full, and (ii) CIA shall not make any principal or interest payment in respect to this Debenture except out of its realized earned surplus in excess of its minimum required surplus and only if (a) the company is in compliance with the Florida Insurance Code, (b) no financial condition exists that would present a possible financial hazard to policyholders, and (c) payment of this Debenture will not cause CIA to be in violation of any part of the Florida Insurance Code. This Debenture shall not remain unpaid after such time as the original intent

referenced above has ended unless approval for payment of the Debenture has not been granted by the OIR.

4. Financial Statement Disclosure: Said unpaid principal shall not form a part of the legal or statutory liabilities of CIA. This amount shall be reported as surplus. Accrued and unpaid interest shall be reported as a legal and statutory liability of CIA.
5. In the event of reorganization, dissolution, 100% reinsurance or liquidation of CIA after the retirement of all its outstanding obligations other than Subordinated Debentures, the holders of Subordinated Debentures remaining unpaid shall be entitled to preferential right in remaining assets of CIA equal to the unpaid principal balance, plus accrued interest, before any distribution of such assets to shareholders or other owners pursuant to Section 631.271, *Florida Statutes*.
6. No modification may be made with respect to this Debenture without the prior approval of the OIR.
7. This Debenture contains the entire agreement between the above referenced parties. There are no other addendums or agreements with any other party which form a part of this contract.

This Debenture is transferable only by assignment on the books of CIA upon surrender of this Debenture properly assigned. The reissued Debenture must be submitted to the Commissioner of Insurance for the State of Domicile and is subject to all the terms, conditions, and limitations contained herein.

IN WITNESS WHEREOF, this agreement has been executed as of the date above.

IN THE MATTER OF:

CASE NO.: 105772-09

COMMERCIAL INSURANCE ALLIANCE

ORDER

To: Larry Haynes, President
Commercial Insurance Alliance
9309 Old Kings Rd S., Suite 3
Jacksonville, FL 32257

THIS CAUSE came on for consideration as a result of the failure of COMMERCIAL INSURANCE ALLIANCE (hereinafter referred to as "CIA" or "APPLICANT") to comply with Consent Order 85640-06-CO (attached as exhibit "A")(hereinafter referred to as the "CONSENT ORDER") and Sections 624.609 and 628.461, Florida Statutes. The Office of Insurance Regulation, (hereinafter referred to as the "OFFICE"), having considered this matter and being fully advised in the premises, finds as follows:

1. The OFFICE has jurisdiction over the subject matter and parties to this proceeding.
2. CIA is a Florida corporation licensed as a reciprocal insurer on May 5, 2006.
3. Briarwood Management, LLC (hereinafter referred to as the "AIF") is the appointed Attorney-In-Fact for CIA.
4. Based on the most recent financial exam conducted by the OFFICE concluding January 29, 2009 (attached as exhibit "B"), information CIA has provided to the OFFICE, and related

discussions with CIA, the OFFICE has determined that CIA willfully violated the following conditions of the CONSENT ORDER, granting its Certificate of Authority:

a. Paragraph eight (8) of the CONSENT ORDER provides that “APPLICANT and AIF affirm that all explanations, representations, and documents provided to the OFFICE in connection with APPLICANT's application for the issuance of a Certificate of Authority, including all attachments and supplements thereto, are material to the issuance of this Consent Order and fully describe all transactions, agreements, and understandings regarding the formation and operation of APPLICANT.”

b. Paragraph twelve (12) of the CONSENT ORDER provides that final approval of the Certificate of Authority is subject to the OFFICE receiving “Executed copies of all other agreements, if any, relating to the operations and management of APPLICANT.”

c. In addition, Paragraph fifteen (15) of the CONSENT ORDER provides that “All future administrative service contracts, management contracts and contracts between APPLICANT and any affiliated or related entities shall be submitted to the OFFICE for approval prior to the execution and/or consummation or amendment of such contracts.”

d. Despite the affirmation provided, CIA did, in fact, fail to describe all transactions, agreements, and understandings regarding the formation and operation of CIA and file the executed agreements during their application process for a Certificate of Authority with the OFFICE.

e. CIA had two consulting arrangements in place that were not disclosed to, or filed with the OFFICE while either applying for a Certificate of Authority or subsequent to that time as follows;

i. A Consulting agreement with Mark Witham and/or Witham & Associates (hereinafter collectively referred to as "WITHAM") since CIA's formation, and

ii. A Consulting agreement with Isabella Holdings (hereinafter referred to as "ISABELLA").

f. Total compensation for these contracts from January 2006 to January 20, 2009 are as follows;

i. Twenty one thousand, two hundred and thirty-nine U.S. Dollars (\$21,239) was paid directly to Mark Witham.

ii. One hundred thousand and eighty-one U.S. Dollars (\$100,081) was paid to Witham and Associates, LLC.

iii. Three hundred forty four thousand, seven hundred and twenty-three U.S. Dollars and fifty-six Cents (\$344,723.56) was paid to ISABELLA.

g. Paragraph fourteen c (14c) of the CONSENT ORDER states that "APPLICANT shall maintain sufficient and adequate internal controls and supervision of any external contractor(s) providing services in connection with the insurance transactions of the APPLICANT, and shall further assume responsibility for the actions of said contractor(s) as they relate to any performance under the service agreements."

h. CIA has not maintained sufficient and adequate controls and supervision of the external contractors WITHAM, ISABELLA and Maple Technologies LLC (hereinafter referred to as "MAPLE"). This finding is supported by the following;

i. In 2005, 2006 and 2007, CIA had agreements or arrangements with WITHAM and ISABELLA that were not approved by the Office or the Subscribers' Advisory Committee;

ii. Fees and expenses paid by CIA under these agreements since its inception were generally not supported by invoices or receipts disclosing the services provided to CIA in return for these payments. In several instances, payments were made with no invoices;

iii. After the effective date and after the funds had been paid for over two years, in January 2008, CIA first secured a signed agreement with ISABELLA. The ISABELLA agreement states that it was executed on February 25, 2007, but had an effective date of May 20, 2005;

iv. According to correspondence supplied by CIA, in early January 2008, Mark Witham, without the approval of the Subscribers' Advisory Committee nor the President of CIA, added Joe Cappuccio as an authorized signatory to CIA's operating account;

v. On January 11, 2008, Mark Witham and Joe Cappuccio withdrew funds in the amount of forty thousand U.S. Dollars (\$40,000) which was paid to ISABELLA without prior approval of the Subscribers' Advisory Committee or the President of CIA;

vi. According to correspondence from Mark Witham, the withdrawal and the corresponding fee charges were made in accordance to an agreement between ISABELLA and CIA, that was not approved by CIA's president or the Subscribers' Advisory Committee, and

vii. The policy administration system installed by MAPLE has never been fully operational and CIA states that it plans to replace the entire system in the near future.

5. Based on the findings detailed above, CIA is in violation of the CONSENT ORDER.

6. CIA is currently retaining risks in an amount exceeding ten percent (10%) of its surplus to policyholders in violation of Section 624.609, Florida Statutes.

7. As of June 30, 2009, CIA's reported policyholder surplus was six hundred fifty-two thousand, five hundred and sixty-eight U.S. Dollars (\$652,568). This amount includes four

hundred sixty-nine thousand, eight hundred and eighty-one U.S. Dollars (\$469,881) in fees and expenses which were returned to CIA on behalf of Mark Witham, the current co-owner and Secretary for AIF, at the request of the OFFICE. The aforementioned fees and expenses were paid during 2006 – 2009 under affiliated agreements which had not been submitted for prior approval by the OFFICE in violation of Rule 69O-143.047, Florida Administrative Code.

8. Contrary to representations made to the OFFICE, the returned funds were obtained through a secured promissory note issued to Genesis 7 Capital Management, LLC (hereinafter referred to as “GENESIS”), in which the satisfaction of the note was secured by the total diluted issued and outstanding membership interest in AIF. The secured promissory note which hypothecates the membership interest of AIF contains provisions which require the approval of the pledgor, GENESIS, prior to CIA entering into certain transactions which constitutes “control” as defined by Rule 69O-143.045, Florida Administrative Code. This “control” has been granted to GENESIS in violation of Section 628.461, Florida Statutes.

9. Section 629.071, Florida Statutes, requires that reciprocal insurers maintain a minimum policyholder surplus of no less than two hundred and fifty thousand U.S. Dollars (\$250,000). Without the inclusion of the funds secured by the aforementioned promissory note, CIA would be in an impaired state, with only one hundred eighty-two thousand, six hundred and eighty-seven U.S. Dollars (\$182,687) in policyholder surplus as of June 30, 2009.

10. Because of CIA’s violation of Consent Order 85640-06-CO, Sections 624.609 and 628.461, Florida Statutes and Rule 69O-143.047, Florida Administrative Code, CIA “is using such methods and practices in the conduct of its business as to render its further transaction of insurance in this state hazardous or injurious to its policyholders or to the public.”, and has

violated a lawful order and Rule of the OFFICE and provisions of the insurance code in violation of Sections 624.418(1)(b) and 624.418(2)(a), Florida Statutes.

11. For these reasons, in accordance with Section 624.421, Florida Statutes, CIA's certificate of authority is suspended from the date of the execution of this Order for a period of thirty (30) days.

624.421 Duration of suspension; insurer's obligations during suspension period; reinstatement.—

(1) Suspension of an insurer's certificate of authority shall be for:

(a) A fixed period of time not to exceed 2 years; or

(b) Until the occurrence of a specific event necessary for remedying the reasons for suspension.

Such suspension may be modified, rescinded, or reversed.

(2) During the period of suspension, the insurer shall file with the OFFICE all documents and information and pay all license fees and taxes as required under this code as if the certificate had continued in full force.

(3) If the suspension of the certificate of authority is for a fixed period of time and the certificate of authority has not been otherwise terminated, upon expiration of the suspension period the insurer's certificate of authority shall be reinstated unless the OFFICE finds that the insurer is not in compliance with the requirements of this code. The OFFICE shall promptly notify the insurer of such reinstatement, and the insurer shall not consider its certificate of authority reinstated until so notified by the OFFICE. If not reinstated, the certificate of authority shall be deemed to have expired as of the end of the suspension period or upon failure of the insurer to continue the certificate during the suspension period in accordance with subsection (2), whichever event first occurs.

(4) If the suspension of the certificate of authority was until the occurrence of a specific event or events and the certificate of authority has not been otherwise terminated, upon the presentation of evidence satisfactory to the OFFICE that the specific event or events have occurred, the insurer's certificate of authority shall be reinstated unless the OFFICE finds that the insurer is otherwise not in compliance with the requirements of this code. The OFFICE shall promptly notify the insurer of such reinstatement, and the

insurer shall not consider its certificate of authority reinstated until so notified by the OFFICE. If satisfactory evidence as to the occurrence of the specific event or events has not been presented to the OFFICE within 2 years of the date of such suspension, the certificate of authority shall be deemed to have expired as of 2 years from the date of suspension or upon failure of the insurer to continue the certificate during the suspension period in accordance with subsection (2), whichever first occurs.

(5) Upon reinstatement of the insurer's certificate of authority, the authority of its agents in this state to represent the insurer shall likewise reinstate. The OFFICE shall promptly notify the insurer of such reinstatement.

12. Pursuant to Section 624.421(2), Florida Statutes, during this period of suspension, CIA shall file with the OFFICE all documents and information and pay all license fees and taxes as required under this code as if the certificate has continued in full force.

DONE and ORDERED this 19th day of August, 2009.

Office of Insurance Regulation

C. Holdings, LLC, a Florida limited liability company, which is owned one hundred percent (100%) by Mark B. Witham, an individual who is also an officer and director of **AIF**.

3. **APPLICANT** has represented and disclosed in its application for a certificate of authority (hereinafter referred to as "**Application**") the members of the advisory committee who will supervise the finances and operation of **APPLICANT** in conformity with the Subscribers' Agreement, Powers of the Subscribers' Advisory Committee, and the Attorney In Fact Agreement (hereinafter referred to as "**AIF Agreement**") pursuant to Sections 629.081 and 629.201, Florida Statutes.

4. **APPLICANT** has represented and disclosed in the Application the names and addresses of the original twenty-five (25) subscribers required for the purpose of making application for a Certificate of Authority to transact insurance pursuant to Section 629.081, Florida Statutes.

5. Except as disclosed in the Application, **APPLICANT** and **AIF** have made material representations that none of **AIF's** officers and directors, and none of the

officers and/or members of **APPLICANT's** advisory committee, have been found guilty of, or have pleaded guilty or nolo contendere to, a felony or a misdemeanor other than a minor traffic violation, without regard to whether a judgment of conviction was entered by the court.

6. **APPLICANT** and **AIF** have further represented that they have submitted to the **OFFICE** complete information on each of the above-referenced individuals and that if material information has not been provided to the **OFFICE**, any such individual(s) shall be removed within thirty (30) days of receipt of notification from the **OFFICE**.

7. **APPLICANT** and **AIF** agree that upon receipt of such notification from the **OFFICE**, pursuant to paragraph six (6) above, if **APPLICANT** or **AIF** does not timely take the required corrective action, such failure to act would constitute an immediate danger to the public and the **OFFICE** may immediately suspend or revoke the Certificate of Authority of **APPLICANT** without further proceedings, pursuant to Sections 120.569(2) (n) and 120.60(6), Florida Statutes.

8. **APPLICANT** and **AIF** affirm that all explanations, representations, and documents provided to the **OFFICE** in connection with **APPLICANT's** application for the issuance of a Certificate of Authority, including all attachments and supplements thereto, are material to the issuance of this Consent Order and fully describe all transactions, agreements, and understandings regarding the formation and operation of **APPLICANT**.

9. **APPLICANT** and **AIF** have filed, and the **OFFICE** has relied upon the representations in the Plan of Operation and supporting documents and subsequent amendments that **APPLICANT** and **AIF** have submitted with the Application. Prior

written approval must be secured from the OFFICE prior to any material deviation from said Plan of Operation.

10. APPLICANT and AIF have represented that APPLICANT will be issuing assessable policies and that, in addition to the insurance premium for the policies, each subscriber will be required to make a surplus contribution in an amount equal to ten percent (10%) of the subscriber's policy premium for the first full three years, which amount is payable on the effective date of the inception of each new policy period. APPLICANT and AIF have represented that the foregoing surplus contribution will be deposited by AIF as policyholder surplus of APPLICANT, and such surplus shall be for the benefit and protection of all subscribers. Return of said surplus contribution is subject to the conditions set forth in the Subscribers' Agreement.

11. APPLICANT and AIF have further represented that its initial capital will be one million five hundred thousand U.S. dollars (\$1,500,000) in unencumbered cash which will be funded by AIF in exchange for a surplus debenture for the same amount to be issued by APPLICANT in favor of AIF. APPLICANT and AIF have represented that subsequently, the surplus debenture will be assigned by AIF to Cornerstone. APPLICANT and AIF materially represent that such assignment of said surplus debenture to Cornerstone will not create any negative impact to APPLICANT's financial stability or prejudice the interest of its subscribers/policyholders. Notwithstanding the terms and conditions of the surplus debenture, pursuant to Section 629.161, Florida Statutes, withdrawal or repayment of said surplus debenture shall only be made from APPLICANT's realized earned surplus in excess of its minimum required surplus and only after the prior written approval of the OFFICE.

12. Final approval and issuance of APPLICANT's Certificate of Authority shall be granted in writing by the OFFICE at such time as the OFFICE is satisfied that APPLICANT has complied with all provisions of this Consent Order and the OFFICE has received the following documents within ten (10) days of the execution of this Consent Order, provided, however, the OFFICE is satisfied that the documents meet the requisite statutory and rule requirements:

l.) Executed copies of all other agreements, if any, relating to the operations and management of **APPLICANT**.

13. **APPLICANT** and **AIF** acknowledge and agree that, if the **OFFICE** determines that the documentation specified in paragraph twelve (12) above is not submitted as required, is incomplete, or does not meet the requisite statutory or rule requirements, the **OFFICE** has the right not to issue, for cause, a Certificate of Authority.

(4) Payment to the affiliate of any premiums or charges for insurance by or on behalf of the insured shall be deemed to have been received by **APPLICANT**, and return premiums or claims payments forwarded by **APPLICANT** to the affiliate shall not be deemed to have been paid to the insured or claimant until such payments are received by the insured or claimant;

16. **APPLICANT** and **AIF** shall take the necessary steps to effectuate membership of **APPLICANT** in the associations and/or funds, as required by the following statutes, and to comply with the conditions contained in such entities' Plan of Operation. Further, **APPLICANT** agrees to pay any and all assessments levied by such entities and/or applicable laws. **APPLICANT** and **AIF** acknowledge full responsibility for determining the associations and/or funds **APPLICANT** is required to join pursuant to, but not limited to, Sections 215.555, 627.311(4), 627.351(1), 627.351(4), 627.351(6), 627.3515, 627.6488, 631.55, 631.715, and 631.911, Florida Statutes. **APPLICANT** further acknowledges its statutory obligations pursuant to, but not limited to, the aforementioned statutes and **APPLICANT** and/or **AIF** will regularly monitor the various associations and/or funds that **APPLICANT** is required to join as determined by the lines of business on the Certificate of Authority of **APPLICANT**. Further, **APPLICANT** and **AIF** shall, based upon the lines of business on the **APPLICANT's** Certificate of Authority, continually monitor and comply with statutory requirements regarding **APPLICANT's** membership in the associations and funds which are identified herein or which may be established in the future.

17. **APPLICANT** shall submit to the **OFFICE**, no less than annually, all required filings, pursuant to Section 627.0645, Florida Statutes, and Rule 69O-170.007, Florida Administrative Code.

19. If the **OFFICE** does not issue **APPLICANT** a Certificate of Authority this Consent Order shall no longer be valid.

20. **APPLICANT** and **AIF** agree that, if a Certificate of Authority has been issued to **APPLICANT**, failure to adhere to one or more of the terms and conditions contained herein may result in the revocation of **APPLICANT's** Certificate of Authority in this state in accordance with Sections 120.569(2) (n) and 120.60(6), Florida Statutes.

21. **APPLICANT** shall report to the **OFFICE**, Bureau of Property & Casualty Financial Oversight, any time that it is named as a party defendant in a class action lawsuit, within fifteen (15) days after the class is certified, and **APPLICANT** shall include a copy of the complaint at the time it reports the class action lawsuit to the **OFFICE**.

22. The **OFFICE**, **APPLICANT**, and **AIF** expressly waive a hearing in this matter, the making of Findings of Fact and Conclusions of Law by the **OFFICE**, and all further and other proceedings herein to which the parties may be entitled by law or rules of the **OFFICE**. **APPLICANT** and **AIF** hereby knowingly and voluntarily waive all rights to challenge or to contest this order, in any forum now available to it, including the right to any administrative proceeding, circuit or federal court action, or any appeal.

23. Each party to this action shall bear its own costs and fees.

24. APPLICANT and AIF further affirm that all representations and requirements set forth herein are material to the issuance of this Consent Order.

25. Further, APPLICANT and AIF agree that their signatures as affixed to this Consent Order shall be under the seal of a notary public.

WHEREFORE, the agreement between COMMERCIAL INSURANCE ALLIANCE, A RECIPROCAL INSURANCE COMPANY, BRIARWOOD MANAGEMENT LLC, and the OFFICE, the terms and conditions of which are set forth above, is APPROVED, and the application of COMMERCIAL INSURANCE ALLIANCE, A RECIPROCAL INSURANCE COMPANY, pursuant to Chapter 629, Florida Statutes, is APPROVED, and upon satisfaction of all said terms and conditions the Certificate of Authority will be issued.

Kevin M. McCarty
Commissioner
Office of Insurance Regulation
State of Florida
Tallahassee, Florida 32399-0326

Dear Sir:

Pursuant to your instructions, in compliance with Section 624.316, Florida Statutes, and in accordance with the practices and procedures promulgated by the National Association of Insurance Commissioners (NAIC), we have conducted an examination as of December 31, 2007, of the financial condition and corporate affairs of:

**COMMERCIAL INSURANCE ALLIANCE,
A RECIPROCAL INSURANCE COMPANY
9309 OLD KINGS ROAD SOUTH
JACKSONVILLE, FLORIDA 32257**

Hereinafter referred to as the "Company". Such report of examination is herewith respectfully submitted.

SCOPE OF EXAMINATION

This examination covered the period of January 1, 2007, through December 31, 2007. This was the first examination of the Company by representatives of the Florida Office of Insurance Regulation (Office). This examination commenced, with planning at the Office, on November 17, 2008, to November 20, 2008. The fieldwork commenced on December 1, 2008, and was concluded as of January 29, 2009.

This financial examination was a statutory financial examination conducted in accordance with the Financial Condition Examiners Handbook, Accounting Practices and Procedures Manual and annual statement instructions promulgated by the NAIC as adopted by Rules 69O-137.001(4) and 69O-138.001, Florida Administrative Code, with due regard to the statutory requirements of the insurance laws and rules of the State of Florida. The Company's size and its very limited control environment were taken into consideration as regards the NAIC risk-focused surveillance examination approach. It was determined that a comprehensive assessment of the Company's corporate governance, internal controls and risk management environment would not be an effective use of examination resources. Therefore, a modified risk focused surveillance approach was utilized. A reduced evaluation of the Company's enterprise risk management structure and control environment was performed.

In this examination, emphasis was directed to the quality, value and integrity of the statement of assets and the determination of liabilities, as those balances indicate the financial solvency of the Company as of December 31, 2007. Transactions subsequent to year-end 2007 were reviewed where relevant and deemed significant to the Company's financial condition.

The examination included a review of the reciprocal's records and other selected records deemed pertinent to the Company's operations and practices. In addition, the NAIC IRIS ratio reports, the Company's independent audit reports and certain work papers prepared by the Company's independent certified public accountant (CPA) and other reports as considered necessary were reviewed and utilized where applicable within the scope of this examination.

This report of examination was confined to financial statements and comments on matters that involved departures from laws, regulations or rules, or which were deemed to require special explanation or description.

Based on the review of the Company's control environment and the materiality level set for this examination, reliance was placed on work performed by the Company's CPAs, after verifying the statutory requirements, for the following accounts:

- Other invested assets
- Other expenses
- Taxes, licenses and fees
- Funds held by Company under reinsurance treaties

Status of Adverse Findings from Prior Examination

This was the first examination performed on the Company.

HISTORY

General

Commercial Insurance Alliance (Company) was licensed on May 4, 2006, by the Florida Office of Insurance Regulation (Office) for the purposes of exchanging contracts of indemnity or insurance with individuals, partnerships, corporations and other entities through the facilities of an attorney-in-fact pursuant to Chapter 629, Florida Statute, et al.

The Company was formed to provide commercial property, liability and surety coverage to businesses operating in Florida. The Company is an assessable, unincorporated aggregation of subscribers authorized to issue insurance policies under Florida insurance statutes.

Briarwood Management LLC (AIF), a special purpose Florida limited liability company, serves as the Company's attorney-in-fact and operates as the management company of the Company pursuant to a formal agreement entered into as of May 3, 2006. Management is vested with the powers and authority to exchange insurance contracts among the Company's subscribers and to manage and conduct the business of the Company.

The AIF is a Florida limited liability company which is owned twenty percent (20%) by Larry Haynes and eighty percent (80%) ultimately by Mark Witham. These two principals of Briarwood are members of the Subscribers' Advisory Committee of the Company and Mark Witham is Secretary and Larry Haynes is President of the Company.

During 2006, Briarwood contributed \$1.5 million to the Company in exchange for a surplus note and then assigned rights in the surplus note to Cornerstone Group Florida, LLC (Cornerstone). Cornerstone is a Florida domiciled limited liability company. The ultimate controlling person of Cornerstone, as stated by the Company, is Mark Witham and he serves as the President of Cornerstone.

The Company was party to Consent Order 85640-06-CO filed May 4, 2006, with the Office regarding the application for the issuance of a Certificate of Authority. The Company failed to comply with several provisions of this consent order as described in the following paragraphs.

Consent Order 85640-06-CO Section 14(h) (7) states:

"If the OFFICE issues the Certificate of Authority to APPLICANT, APPLICANT shall further comply with the following:

h.) Any arrangement or agreement with an affiliated party for the provision of administrative services shall be evidenced by a written contract. Any such contract shall comply with the following requirements.

(7) All fees and charges must be specified in the contract and they must be comparable to fees charged to any other insurer for which similar contracted services are provided by the affiliate; or, if the affiliate does not perform such services for other insurers, the fees charged must be reasonable in relation to the services provided;

The Company had two arrangements or agreements with affiliated parties for the provision of administrative services that were not evidenced by a written contract during a substantial period in which the Company was making payments.

- Consulting arrangement with Mark Witham, who serves as the Company Secretary and/or Witham & Associates since the Company's formation:

No disclosure of this arrangement has been filed with the Office and because it was a verbal agreement, no filings with the Office were made. Payments under this arrangement started at the Company's inception.

- Consulting arrangement with Isabella Holdings (Isabella):

It was disclosed by the Company that Joe Cappuccio is the President of Isabella. The Company reported that Mr. Cappuccio is also the business partner of and legal counsel to Mr. Witham, making Isabella a related party under SSAP 25.

Documentation indicated that, after repeated requests by the Company, a copy of a written consulting agreement with Isabella was provided to the Company President on January 11, 2008. The agreement states that it was made February 25, 2007, with an effective date of May 20, 2005. The agreement is signed by Mr. Witham for the Company and Mr. Cappuccio for Isabella. This agreement has never been filed with the Office.

The examiners reviewed the Company's general expense payments and noted that funds have been paid by the Company to these entities for consulting services in relation to these consulting arrangements. The fees and expenses that were paid by the Company since its inception were generally not supported by invoices or receipts disclosing the services provided the Company in return for the payments. In several instances, payments were made without

any invoices.

Payments made under these arrangements were as follows:

Payments made to Mark Witham and/or Witham & Associates from 2006 to January 20, 2009:

- \$21,239 was paid to Mark Witham directly
- \$100,081 was paid to Witham & Associates

Payments totaling \$344,723.56 have been paid to Isabella from 2006 to January 20, 2009.

Consent Order 85640-06-CO, Section 14c states

"APPLICANT shall maintain sufficient and adequate internal controls and supervision of any external contractor(s) providing services in connection with the insurance transactions of the APPLICANT, and shall further assume responsibility for the actions of said contractor(s) as they relate to any performance under the service agreements."

The Company does not maintain sufficient and adequate controls and supervision of the external contractors (Mark Witham, Witham and Associates, Isabella Holdings LLC, and Maple Technologies LLC). This was evidenced by issues such as:

- In 2005, 2006 and 2007, the Company had agreements or arrangements with Mark Witham and Witham and Associates and Isabella that were not approved by the Office or the Subscribers' Advisory Committee.
- Fees and expenses paid by the Company under these agreements since its inception were generally not supported by invoices or receipts disclosing the services provided the Company in return for the payments. In several instances, payments were made with no invoices.
- After the effective date and after funds had been paid for over two years, in January 2008, the Company first received a signed agreement with Isabella. The Isabella agreement states that the agreement was made February 25, 2007, with an effective date of May 20, 2005.
- According to correspondence supplied by the Company, in early January 2008, Mark Witham, without approval from the Subscribers' Advisory Committee and the President of the Company, added Joe Cappuccio as an authorized signatory in regards to the Company's operating account at a bank.

- On January 11, 2008, Mark Witham and Joe Cappuccio withdrew money out the Company by wiring \$40,000 to Isabella without approval from the Subscribers' Advisory Committee or the President of the Company.
- According to correspondence from Mark Witham, the fee charges for the withdrawal and the withdrawal itself were made under an agreement between Isabella and the Company that was not approved by the Company's President or the Subscribers' Advisory Committee.
- The policy administration system installed by Maple Technologies LLC has never been fully operational and the Company states that it plans to replace the entire system in the near future.

Consent Order 85640-06-CO, Sections 8, 12 and 15 of the Consent Order state:

"APPLICANT and AIF affirm that all explanations, representations, and documents provided to the OFFICE in connection with APPLICANT's application for the issuance of a Certificate of Authority, including all attachments and supplements thereto, are material to the issuance of this Consent Order and fully describe all transactions, agreements, and understandings regarding the formation and operation of APPLICANT."

Section 12 of the Consent Order goes on to say that final approval is subject to the Office receiving:

"Executed copies of all other agreements, if any, relating to the operations and management of APPLICANT."

In addition, Section 15 of the Consent Order states:

"All future administrative service contracts, management contracts and contracts between APPLICANT and any affiliated or related entities shall be submitted to the OFFICE for approval prior to the execution and/or consummation or amendment of such contracts."

The Company did not fully describe all transactions, agreements, and understandings regarding the formation and operation of the Company or file executed agreements during their application process for a Certificate of Authority with the Office. The Company had two consulting arrangements in place that were not disclosed to or filed with the Office while applying for a Certificate of Authority or subsequent to that time:

- Consulting agreement with Mark Witham and/or Witham & Associates since the Company's formation
- Consulting agreement with Isabella Holdings. As previously discussed, a copy of the consulting agreement with Isabella Holdings and CIA was provided by Mr. Witham to

the Company President on January 11, 2008.

Consent Order 85640-06-CO, Section 15 states:

"All future administrative service contracts, management contracts and contracts between APPLICANT and any affiliated or related entities shall be submitted to the OFFICE for approval prior to the execution and/or consummation or amendment of such contracts."

- Initial Claims Administrative Agreement with Allied Adjusters, Inc.
The Company provided a letter agreement with Allied Adjusters, Inc dated September 13, 2006, regarding claim service for Commercial Insurance Alliance. However, the Company did not have a signed agreement and the agreement had not been submitted to the Office for approval as required by the Consent Order.
- Current Claims Administrative Agreement with Allied American Adjusters Company, LLC.
The Company provided a Memorandum of Understanding between Allied American Adjusting Company, LLC and the Company. The Memorandum of Understanding set forth the guiding principles by which Allied will assist the Company in the handling of claims. The agreement had not been submitted to the Office for approval as required by the Consent Order.

The Company was authorized to transact the following insurance coverage in Florida on December 31, 2007:

Commercial Multi Peril
Inland Marine
Commercial Auto Liability
Commercial Auto Physical Damage
Surety
Other Liability
Credit

The Company has not written inland marine and credit insurance within the 2007 calendar year. Therefore, in accordance with Section 624.430, Florida Statutes, the Company should have those lines of insurance removed from its Certificate of Authority. **Subsequent event:** The Company submitted a plan for writing Inland Marine and Credit business, both active but previously unwritten lines of business on their Certificate of Authority.

Being organized as a reciprocal, the Company has no articles of incorporation and was subject to and governed by the provisions of the Subscribers' Agreement which designated the Attorney-in-

Fact (AIF). Under the Attorney-in-Fact Agreement, AIF served as the management company of the Company pursuant to a formal agreement entered into as of May 3, 2006. These agreements were submitted to the Office and have not been amended during the period covered by this examination.

Capital Stock

Being organized as a reciprocal, the Company had no capital stock and was owned and controlled by its subscribers.

Management

In the document entitled "The Powers of the Subscribers' Advisory Committee" it is stated that "The Committee shall have a regular meeting once during each calendar quarter to review the financial statements of the Reciprocal for such quarter and such other matters as the Committee shall determine".

Review of the minutes of the Subscribers' Advisory Committee indicated that the body has held only two meetings since the formation of the Company. Therefore, it is not in accordance with the "Powers of the Subscribers' Advisory Committee" document filed with the Florida Office of Insurance Regulation.

Subscribers' Advisory Committee Members serving as of December 31, 2007, were:

The Company's Subscribers' Advisory Committee has not designated any internal committees, including an audit committee.

Section 629.201, Florida Statutes, requires that the Board of Directors shall procure an audit of the accounts and records of the insurer and of the attorney-in-fact at the expense of the insurer. While the Subscribers' Advisory Committee is not expressly subject to that Section, it is a corporate governance best practice for that committee to act as an oversight and governing body in accordance with that Section. Also, the Company's "Powers of the Subscribers' Advisory Committee" document filed with the Office requires the Subscribers' Advisory Committee to procure the audit of the accounts and records of the Company and of the AIF. It further states that it should recommend to the AIF the selection of independent certified public accountants, and review the scope and results of the annual independent audit and any internal audit of the Reciprocal's financial statements. During interviews with Company officers, it was disclosed that the Company's Subscribers' Advisory Committee Chairman made the selection of the independent certified public accountants.

Conflict of Interest Procedure

The Company has not adopted a policy statement requiring annual disclosure of conflicts of interest in accordance with the NAIC Financial Condition Examiners Handbook and Section 607.0832(2), Florida Statute.

Corporate Records

The recorded minutes of the Subscribers' Advisory Committee were reviewed for the period under examination. Issues noted during that review have been discussed in this report.

Acquisitions, Mergers, Disposals, Dissolutions, and Purchase or Sales Through Reinsurance

There were no acquisitions, mergers, disposals, dissolutions, or purchases or sales through reinsurance during the period under examination

Surplus Debentures

The Company, in relation to its initial surplus requirements, has one surplus debenture in the amount of \$1,500,000 issued by the Company to the AIF, then subsequently assigned to the Cornerstone Group, LLC (Florida). No violations of the surplus note restrictions were noted during the examination.

AFFILIATED COMPANIES

The Company, being a reciprocal owned by its subscribers, was not a member of an insurance holding company system as defined by Rule 69O-143.045(3), Florida Administrative Code. The

AIF is part of a holding company system and also responsible for all management and administrative services required for the operation of the Company. Therefore, under the provisions of Statement on Statutory Accounting Principles 25, Paragraph 2 (i), the AIF and its affiliates were considered related parties to the Company.

The AIF was owned twenty percent (20%) by Larry Haynes and eighty percent (80%) by Cornerstone Group Florida, LLC (Cornerstone). The ultimate parent and controlling person of Cornerstone was Mark Witham and he serves as the President of Cornerstone.

The two principals of the AIF were also officers and members of the Subscribers' Advisory Committee of the Company. Mark Witham is Secretary and Larry Haynes is President of the Company.

As indicated earlier in this report, Mark Witham has received consulting fees from the Company.

Also as indicated earlier in this report, payments have been made under a consulting arrangement with Isabella Holdings (Isabella). Joe Cappuccio, President of Isabella, is also the business partner of and legal counsel to Mark Witham, making Isabella a related party under SSAP 25. These arrangements and payments have been discussed previously in this report.

During 2006, the AIF contributed \$1.5 million to the Company in exchange for a surplus note and then assigned rights in the surplus note to Cornerstone.

The following agreements were in effect between the Company and its related parties:

Management Agreement

As previously discussed, the Company had an attorney-in-fact agreement in place with Briarwood Management LLC (AIF) wherein the AIF agreed, in return for management fees, to provide all necessary and appropriate management services, including the day-to-day administration and management of the Company's insurance business which consists of the underwriting of new business, claims adjustment, appropriate record production and the provision of all senior management.

Consulting Agreements

As discussed earlier in this report, the Company had two consulting agreements with Isabella and Witham and Associates.

FIDELITY BOND AND OTHER INSURANCE

The Company stated that it does not have any fidelity insurance coverage. Rule 690-142.011(11)(b)16, Florida Administrative Code, requires the Company to obtain a fidelity bond in accordance with and in an amount determined by the method provided in the NAIC Financial Examiners Handbook. The examiners determined, using that calculation method, the Company's minimum bond should be \$50,000.

PENSION, STOCK OWNERSHIP AND INSURANCE PLANS

The Company had only one employee, and had no pension, stock ownership or insurance plans.

STATUTORY DEPOSITS

The following securities were deposited with the State of Florida as required by Section 624.411, Florida Statutes:

STATE	Description	Market Value
FL	Cash	<u>\$ 752,883</u>
TOTAL SPECIAL DEPOSITS		<u>\$ 752,883</u>

INSURANCE PRODUCTS AND RELATED PRACTICES

Territory

At December 31, 2007, the Company was authorized to transact insurance only in the State of Florida.

Insurance Products

The Company has developed and marketed commercial insurance and ancillary products to Florida based commercial interests.

Treatment of Policyholders

During the examination, the Company stated that it has had inquiries but no complaints since the formation of the Company and, therefore, no complaint control log has been initiated. The Company must have in place formalized and documented procedures for handling complaints against the Company in accordance with Section 626.9541 (1) (j), Florida Statutes.

REINSURANCE

Assumed

The Company did not assume any reinsurance risk for the period covered by this examination.

Ceded

At December 31, 2007, the Company had two reinsurance contracts in effect which resulted in the following:

- Covers Company's General Liability written under Commercial Package Policies and Commercial Auto Liability excess of loss reinsurance for \$900,000 xs \$100,000 per occurrence.
- Covers Company's Commercial Package Policies, Property only, quota share reinsurance of 80%, subject to a maximum recovery of 50% of gross ceded premium, but no less than \$1,250,000 or greater than \$2,500,000 as respects one event. As respects hurricane events, maximum recovery was 100% of gross ceded premium subject to a maximum of \$4,500,000.

It was determined that the Company did not have a formal contract with its reinsurance broker as required by Section 626.7492(4), Florida Administrative Code, which states that..." a transaction between a reinsurance intermediary broker and the insurer it represents in the capacity of a reinsurance intermediary broker may be entered into only pursuant to a written authorization specifying the responsibilities of each party."

Subsequent Event:

Prior to completion of this exam, the Company provided the examiners a copy of a contract enacted between the Company and its reinsurance broker.

ACCOUNTS AND RECORDS

The Company maintained its principal operational offices in Jacksonville, Florida, where this examination was conducted.

An independent CPA audited the Company's statutory basis financial statements for the year 2007, in accordance with Section 624.424(8), Florida Statutes. Supporting work papers were prepared by the CPA as required by Rule 69O-137.002, Florida Administrative Code. This work was reviewed and utilized where appropriate by the examiners.

The Company's accounting records were maintained on a computerized system. The Company's balance sheet accounts were verified with the line items of the Annual Statement submitted to the Office.

It was determined during examination that general expenses paid in 2008 that were incurred in 2007 were \$40,000 above the \$62,075 reported by the Company. As a result, this liability has been increased by that amount with a corresponding adjustment to surplus as regards policyholders. A substantial amount of the increase in this liability was the result of consultant fees withdrawn in January of 2008 for bills presented the Company during 2007.

The Company and non-affiliates had the following agreements in effect at December 31, 2007:

Subscribers Agreements

The Company maintained an agreement with each subscriber during the period covered by this examination. The subscriber or policyholder agreed to pay their premiums, compensate the AIF for its services and make a one-time surplus contribution to the Company.

Claims Agreement

The Company provided the examiners a Memorandum of Understanding between Allied American Adjusting Company, LLC and the Company. The Memorandum set forth the guiding principles by which Allied will assist the Company in the handling of claims. The agreement had not been submitted to the Office for approval as required in the Consent Order. Further details concerning this agreement have been discussed previously in this report.

COMMENTS ON FINANCIAL STATEMENTS

Losses and Loss Adjustment Expenses

\$101,600

The Company's actuary rendered an opinion that the amounts carried in the balance sheet as of December 31, 2007, made a reasonable provision for all unpaid loss and loss expense obligations of the Company under the terms of its policies and agreements. INS Consultants, Inc. provided the examination actuary, who reviewed work papers provided by the Company and was in concurrence with this opinion.

Other Expenses

General expenses paid in 2008 that were incurred in 2007 were found to be \$40,000 above the \$62,075 reported by the Company. As a result, this liability has been increased by that amount with a corresponding adjustment to surplus as regards policyholders. A substantial amount of the increase in this liability was the result of consultant fees withdrawn in January, 2008, for bills presented the Company during 2007.

Capital and Surplus

The amount reported by the Company of \$725,104, which was adjusted to \$685,104, exceeds the minimum of \$250,000 required by Section 624.408, Florida Statutes.

This is the first examination of the Company performed by the Office.

Current examination comments and corrective action

The following is a brief summary of items of interest and corrective action to be taken by the Company regarding findings in the examination as of December 31, 2007.

Subscribers' Advisory Committee – Meetings

The "Powers of the Subscribers' Advisory Committee" document requires that the Subscribers' Advisory Committee meet quarterly. It was determined that the Company has held only two Subscribers' Advisory Committee meetings since the formation of the Company. **We recommend the Subscribers' Advisory Committee have a regular meeting once during each calendar quarter to review the financial statements of the Reciprocal for such quarter and such other matters as the Committee shall determine as stated in the "Powers of the Subscribers' Advisory Committee" document.**

It was determined that the Company was not in compliance with Section 629.201, Florida Statutes, which requires that the Subscribers' Advisory Committee shall procure the audit of the accounts and records of the insurer and of the attorney at the expense of the insurer. **We recommend the Company comply with Section 629.201, Florida Statutes, and the "Powers of the Subscribers' Advisory Committee" document and have the Advisory**

Committee make recommendations concerning the selection of the Company's independent auditor and formally review their findings.

Consent Order 85640-06-CO Violation - Fees and Charges

The Company had two arrangement or agreements with affiliated parties for the provision of administrative services that were not evidenced by a written contract which was a violation of Consent Order 85640-06-CO. **We recommend the Company comply with Consent Order 85640-06-CO and require written contracts with all affiliated parties or related parties for administrative services and, as described in the Consent Order, pay only fees and charges as reasonable in relation to services rendered as specified in the contract.**

Consent Order 85640-06-CO Violation - Controls and Supervision of External Contractors

The Company failed to maintain sufficient and adequate internal controls and supervision of its external contractors which was a violation of Consent Order 85640-06-CO. **We recommend that the Company comply with Section 14.c of the Consent Order by maintaining sufficient and adequate controls and supervision of its external contractors.**

Consent Order 85640-06-CO Violation - Related Party Administrative or Consulting Agreements

The Company did not fully describe all transactions, agreements, and understandings regarding the formation and operation of the Company or file executed agreements during their application process for a Certificate of Authority with the Office which was a violation of Consent Order 85640-06-CO. **We recommend that the Company comply with Consent Order 85640-06-CO and fully describe all transactions, agreements, and understandings regarding the formation and operation of the Company and make the required filings of agreements.**

Consent Order 85640-06-CO Violation - Administrative Agreements

Consent Order 85640-06-CO required that all future administrative service contracts and management contracts be submitted to the Office for approval prior to the execution and/or consummation or amendment of such contracts. Those agreements have not been submitted to the Office. **We recommend the Company comply with Section 15 of Consent Order 85640-06-CO and submit the claims administrative contract to the Office for approval prior to the execution and/or consummation or amendment of such contracts.**

Fidelity Insurance Coverage

Other Expenses

General expenses paid in 2008 that were incurred in 2007 were found to be \$40,000 above the \$62,075 reported by the Company. As a result, the liability for General Expenses has been increased by that amount. **We recommend the Company establish and report an adequate amount for its other expenses liability.**

Conflict of Interest Procedure

The company has not adopted a policy requiring annual disclosure of conflicts of interest in accordance with the NAIC Financial Condition Examiners Handbook and Section 607.0832(2), Florida Statutes. **We recommend the company comply with Florida Statutes and NAIC guidelines and establish a policy requiring annual disclosure statements of any potential conflict of interest.**

SUBSEQUENT EVENTS

During the review of the Company's general expenses, the examiners noted that funds have been paid by the Company to various entities for what was termed consulting services. The examiners determined that, in some cases, the expenses being paid were not just the additional cost of starting a new company, but some questionable consulting fees and expenses.

As requested by the Office, the examiners have reviewed all amounts paid during 2008 and in 2009 up to the completion date of this examination. Also, we have performed additional review on related party expenses to determine the full extent of funds being withdrawn from the Company and the documentation available related to those payments.

The Company has reported and continues to report, extremely high expenses in relation to its premium income and claims activity, so the examiners focused on the Company's payment of funds to related and unrelated parties to determine if the payments were appropriate and the agreements covering the payments were in accordance with Consent Order 85640-06-CO. These agreements or arrangements were not properly disclosed to the Office in accordance with the Consent Order and, therefore, all of the payments made were not proper. These payments have been paid since the inception of the Company under unwritten agreements and continued under an agreement provided to the Company President during 2008.

In addition to the monthly fees being paid by the Company, a substantial amount of travel and entertainment expenses of these consultants was paid out of Company funds. A detailed review by the examiners of these payments indicated that proper authorization and documentation was not filed with the Company regarding these payments. In response to examiner questions, a letter dated February 11, 2009, was provided to the examiners from Briarwood Management LLC (the Attorney-in-Fact) regarding these expenses. Examiner review of explanations provided in the letter indicated that substantially all of the expenses discussed should have been the responsibility of Briarwood Management LLC and not paid out of policyholder funds.

Correspondence was supplied by the Company documenting attempts to obtain proper invoices and justification of charges.

Mark Witham and Isabella Holdings have agreed to repay all funds withdrawn by them or paid to them as consulting fees. The Office was notified of this statement.

Also, in a letter dated February 25, 2009, the Office notified the Company that it had failed to request the Office's approval prior to entering into affiliated agreements with Mark Witham and

Witham Associates. Payments were also made to Isabella Holdings which were not substantiated by the proper documentation of services rendered. The Office further stated that these agreements should be canceled immediately and no further payments made without the Office's prior approval. Additionally, the Company should seek the return of all fees and expenses incurred by the Company associated with the aforementioned agreements and should provide evidence of such to the Office no later than Friday, March 6, 2009. Evidence of repayment on March 6, 2009, was provided to the Office.

CONCLUSION

The insurance examination practices and procedures as promulgated by the NAIC have been followed in ascertaining the financial condition of **Commercial Insurance Alliance** as of December 31, 2007, consistent with the insurance laws of the State of Florida.

Per examination findings, the Reciprocal's Surplus as Regards Policyholders was \$685,104, in compliance with Section **629.071**, Florida Statutes.

In addition to the undersigned, Patricia Casey Davis, CFE, CPA; Hails W. Taylor, CFE; and Donald Gaskill, CFE of INS Regulatory Insurance Services, Inc. participated in the examination. We also recognize INS Consultants, Inc. and INS Services, Inc.'s participations in this examination.

Respectfully submitted,

Financial Examiner/Analyst Supervisor
Florida Office of Insurance Regulation

Affidavit of Stephen J. Szypula

State of Florida

County of Leon

BEFORE ME, the undersigned authority appeared Stephen J. Szypula, who after being sworn, deposes and says:

1. I, Stephen J. Szypula, am over the age of eighteen (18), sui juris, and I am competent to testify to and have personal knowledge of the facts contained herein.

2. I, Stephen J. Szypula, currently hold the position of Chief Analyst with the Property & Casualty Financial Oversight business unit of the Florida OFFICE of Insurance Regulation (hereinafter referred to as the "OFFICE"). I graduated from Utica College of Syracuse University in 1987 with a Bachelor's degree in Accounting. I hold four professional certifications, Certified Financial Examiner (CFE), Senior Professional in Insurance Regulation (SPIR), Certified Public Manager (CPM), and Certified Government Financial Manager (CGFM). I have been employed by the OFFICE since November 1989. My responsibilities include managing the activities regarding the compliance, operational, and solvency analysis of property and casualty insurers.

3. Commercial Insurance Alliance (hereinafter referred to as "CIA") is a Florida reciprocal insurer that was authorized to transact insurance business in the State of Florida on May 5, 2006.

4. The OFFICE has determined that one or more grounds exist for the initiation of delinquency proceedings pursuant to Section 631.051, Florida Statutes,

against CIA. As specified in Section 631.051, Florida Statutes, among the grounds that allow a petition for the appointment of a receiver include:

a. Is or is about to become Insolvent;

i. The OFFICE has received multiple reports indicating that CIA is not capable of paying its debts as they become due in the usual course of business.

ii. On November 9, 2010, the OFFICE received a letter (attached as Exhibit "A" and incorporated by reference) from an attorney David F. Tegeler stating that his client, Coastal Mechanical Special Projects, LLC had been awarded a Final Judgment (attached as Exhibit "B" and incorporated by reference) against CIA, on October 27, 2010, in the amount of sixty seven thousand, seven hundred twenty one U.S. Dollars and eighty two cents (\$67,721.82). Mr. Tegeler further stated that legal counsel representing CIA has informed him that CIA does not have the assets to pay the aforementioned Final Judgment.

iii. On January 19, 2011, the OFFICE received an affidavit (attached as Exhibit "C" and incorporated by reference) from attorney Jacqueline J. Bird indicating that she represents a client by the name of Mary Hajducek in a personal injury claim against one of CIA's insureds. In the affidavit, Ms. Bird stated that her client entered into a settlement agreement (attached as Exhibit "D" and incorporated by reference), on November 12, 2010, to resolve the aforementioned claim. Ms. Bird further stated that CIA promised to pay her client a settlement of seventy five thousand U.S. Dollars (\$75,000) by December 3, 2010 but as of the

date of her affidavit, January 12, 2011, no such payment has been received by herself or her client.

iv. On November 29, 2010, CIA informed the OFFICE that there were approximately one hundred forty one thousand, four hundred eighteen U.S. Dollars and ninety five cents (\$141,418.95) in loss and loss adjustment expenses that were due by December 22, 2010 (see attached Exhibits "E" and "F"). On November 20, 2010 CIA had cash on hand of approximately eight thousand U.S. Dollars (\$8,000) (See attached Exhibit "G"). CIA has on file with the Office a five hundred thousand U.S. Dollar (\$500,000) deposit, which could help facilitate run-off of the remaining loss and loss adjustment expenses. On August 25, 2010, CIA submitted to the OFFICE a request for the release of two hundred thousand U.S. Dollars (\$200,000) of the five hundred thousand U.S. Dollar (\$500,000) deposit in order to pay claims. The OFFICE had previously released two hundred fifty thousand U.S. Dollars (\$250,000) of the original seven hundred fifty thousand U.S. Dollar (\$750,000) deposit in order to facilitate the payment of claims. Upon reviewing the second request, the OFFICE informed CIA that it needed to raise additional funds so as to make it capable of paying claims in the normal course of business. CIA has not submitted any documentation to the OFFICE indicating that it has attempted to raise such additional funds by ordering an assessment of its subscribers or through other means.

v. The OFFICE is also in receipt of a complaint (herein after referred to as the "Complaint", attached as Exhibit "H" and incorporated by reference) filed by CIA, in The Circuit Court, Fourth Judicial Circuit, In And For Duval County,

Florida, against The Underwriters Group, Inc., a Florida corporation, Larry J. Wright, an individual, and First Mountain Bancorp, a Nevada Corporation. In the Complaint, CIA alleges that First Mountain Bancorp has refused to release funds that are legally due and payable to CIA. The Complaint further alleges that as a result of First Mountain Bancorp's failure to remit said funds, CIA has suffered from frozen bank accounts and has had judgments entered against it. Consequently, CIA cannot use the aforementioned funds to pay its debts as they become due in the normal course of business and as result CIA has alleged in the Complaint that it could be subjected to paying treble damages and attorney's fees.

vi. Based upon the multiple reports the OFFICE has received indicating that CIA is not paying its debts as they become due in the normal course of business, the OFFICE's review of CIA's financial condition and the Complaint in which CIA alleges that it is suffering from frozen bank accounts, the OFFICE has determined that CIA is or is about to become insolvent.

b. Has been the victim of embezzlement, wrongful sequestration, conversion, diversion, or encumbering of its assets, forgery or fraud affecting it, or other illegal conduct in, by, or with respect to it, which if established would threaten its solvency; or that the office has reasonable cause to so believe any of the foregoing has occurred or may occur;

i. By CIA's own admission, in the Complaint, CIA asserted that First Mountain Bancorp has wrongfully sequestered or encumbered the assets of CIA and as a result CIA has suffered from frozen bank accounts. Consequently, CIA has not been able to use the unremitted funds to pay its debts in the normal course

of business and is or is about to be insolvent as defined in Section 631.011(14), Florida Statutes.

c. Is found by the OFFICE to be in such a condition or is using or has been subject to such methods or practices in the conduct of its business, as to render its further transaction of insurance presently or prospectively hazardous to its policyholders, creditors, stockholders, or the public;

i. On May 4, 2006, pursuant to Consent Order 85640-06-CO, the OFFICE approved an application submitted by CIA to obtain a Certificate of Authority to transact insurance business in the State of Florida. CIA has subsequently violated Consent Order 85640-06-CO by failing to fully describe to the OFFICE all transactions, agreements, and understandings regarding the formation and operation of CIA. CIA further violated Consent Order 85640-06-CO by failing to submit all future administrative service contracts, management contracts and contracts between CIA and any affiliated or related entities to the OFFICE for approval prior to the execution and/or consummation of said contracts.

ii. CIA failed to maintain sufficient and adequate controls and supervision over its external contractors, as required by Consent Order 85640-06-CO. This finding is supported by the following:

(1). In 2005, 2006 and 2007, CIA entered into agreements or arrangements with Mark Witham and/or Witham & Associates, Isabella Holdings, and Maple Technologies LLC (herein after collectively referred to as "Third Parties") that were not approved by the OFFICE or CIA's Subscriber's Advisory Committee.

(2). On February 25, 2007, CIA executed an agreement with Isabella Holdings that had an effective date of May 20, 2005. CIA paid funds to Isabella Holdings for over two (2) years, for services rendered by Isabella Holdings, without entering into a written contract memorializing the arrangement.

(3). CIA generally paid fees and expenses to the Third Parties without requiring the Third Parties to submit invoices or receipts disclosing the services provided to CIA in return for these payments.

(4). According to correspondence provided to the OFFICE by CIA in early January 2008, Mark Witham added an individual by the name of Joe Cappuccio as a signatory to CIA's operating account, without approval of CIA's Subscribers' Advisory Committee or the President of CIA.

(5). Mark Witham and Joe Cappuccio withdrew a sum of forty thousand U.S. Dollars (\$40,000) from CIA's operating account and paid said funds to Isabella Holdings without prior approval from CIA's Subscribers' Advisory Committee or the President of CIA.

iii. As of August 19, 2009, CIA was retaining risks in an amount exceeding ten percent (10%) of its surplus to policyholders in violation of Section 624.609, Florida Statutes.

iv. Between 2006 and 2009 CIA paid four hundred sixty-nine thousand, eight hundred and eighty-one U.S. Dollars (\$469,881) in fees and expenses under affiliated agreements which had not been submitted for prior approval by the OFFICE in violation of Rule 69O-143.,047, Florida Administrative Code. These

funds were returned to CIA on behalf of Mark Witham, at the request of the OFFICE.

v. Contrary to representations made to the OFFICE, the returned funds were obtained through a secured promissory note issued to Genesis 7 Capital Management, LLC (hereinafter referred to as "GENESIS"), in which the satisfaction of the note was secured by the total diluted issued and outstanding membership in Briarwood Management, LLC. The secured promissory note which hypothecates the membership interest of Briarwood Management, LLC contains provisions which require the approval of the pledgor, GENESIS, prior to CIA entering into certain transactions which constitute "control" as defined by Rule 69O-143.045, Florida Administrative Code. This "control" that has been granted to GENESIS is in violation of Section 628.461, Florida Statutes.

vi. Because of CIA's violation of Consent Order 85640-06-CO, Sections 624.609 and 628.461, Florida Statutes and Rule 69O-143.047, Florida Administrative Code, CIA "is using such methods and practices in the conduct of its business as to render its further transaction of insurance in this state hazardous to its policyholders or to the public", and has violated a lawful order and Rule of the OFFICE and provisions of the insurance code in violation of Sections 624.418(1)(b) and 624.418(2)(a), Florida Statutes.

5. Thus, the OFFICE has made the determination that the grounds for issuing an Order for entry into rehabilitation exist under Section 631.051, Florida Statutes.

Re: Coastal Mechanical Special Projects, LLC.
vs. Commercial Insurance Alliance, a Reciprocal Insurance Company

Dear Commissioner McCarty:

Our law firm represents Coastal Mechanical Special Projects, LLC, the Plaintiff in a lawsuit in Orange County, Florida. Enclosed is a copy of a Final Judgment against Commercial Insurance Alliance, a Reciprocal Insurance Company, dated October 27, 2010, in favor of that Plaintiff in the amount of \$67,721.82. The Plaintiff also has a claim against Commercial Insurance Alliance for attorney's fees, costs and expenses in the amount of \$198,350.00. The Defendant's counsel has told us that Commercial Insurance Alliance currently has no assets to pay these claims.

The Plaintiff wishes to collect the Final Judgment and its claim for attorney's fees, costs and expenses from funds in the possession of the State of Florida Department of Financial Services and/or the Office of Insurance Regulation. It is our understanding that Commercial Insurance Alliance paid the State of Florida \$752,883.00 in cash as a security deposit when it was first licensed in May 2006.

Please make immediate payment of the Final Judgment amount of \$67,721.82 with a check payable to "Michael C. Sasso, P.A." Thank you for your prompt attention to this request. If you have any questions or comments with regard to this matter, please do not hesitate to contact me.

Very truly yours,

COMPLAINT

Commercial Insurance Alliance ("CIA"), a Florida reciprocal insurance company, by and through its undersigned counsel, hereby sues Defendants, The Underwriters Group, Inc. ("TUG"), a Florida corporation, Larry J. Wright ("Wright"), and First Mountain Bancorp ("FMB"), a Nevada corporation, and alleges:

1. CIA is a Florida reciprocal insurance company, organized under the laws of the State of Florida, with its principal place of business in Duval County, Florida.

2. TUG is a Florida corporation, organized under the laws of the State of Florida, with its principal place of business in Duval County, Florida.

3. Wright is a resident of St. Johns County, Florida, who does substantial, and not isolated work in Duval County, Florida.

4. Upon information and belief, FMB is a Nevada corporation, organized under the laws of the State of Nevada.

5. This Court has jurisdiction over FMB because FMB issued contracts for payment to CIA and because FMB breached those contracts for payment by failing to deliver payment to CIA in Duval County, Florida.

6. After CIA was organized to sell insurance products in the State of Florida, Wright, on behalf of TUG, contacted Larry Haynes ("Haynes") as attorney-in-fact for CIA regarding CIA's interest in using bonds to sell as insurance products.

7. Haynes told Wright that CIA would be interested in using bonds only if Wright could fully secure the performance of those bonds.

8. Wright told Haynes about a product issued by FMB known as an Irrevocable Trust Receipt ("ITR") and explained that an ITR is the equivalent of a Letter of Credit issued by a bank.

9. Wright explained further to Haynes that TUG would perform the underwriting services for each bond and would arrange to have FMB issue an ITR in an amount necessary to secure the performance of each bond.

10. Haynes had never heard of, nor had any experience with an ITR, but understood how a Letter of Credit worked.

11. Wright told Haynes that he was familiar with the ITR product issued by FMB and that he was satisfied with the ability of FMB and its principal, Gowen, to perform.

12. Haynes told Wright that he was willing to engage in the bond business, each fully secured by an ITR, in reliance on Wright's promises that FMB and Gowen would perform.

13. Following this discussion, TUG began underwriting bond business for CIA.

14. Each time that TUG approved underwriting on a bond, TUG obtained an ITR from FMB to fully secure the performance of each bond.

15. TUG received a fee from the bonded party for each bond it underwrote and also received a fee for each ITR it secured from FMB.

16. Wright received a portion of each fee that TUG received.

17. Each ITR issued by FMB provided that certain funds were available upon presentation of: (a) a sight draft bearing reference to the ITR; and (b) a statement reading "I certify that the amount of the draft is payable pursuant to regulations issued under authority of the Obligee."

18. Beginning in 2009, CIA began suffering bond loss and loss adjustment expenses which led to the issuance of a series of Sight Drafts to FMB requesting payment due under the respective ITR that secured each bond for which loss was suffered.

19. Each of the Sight Drafts issued by CIA to FMB was consistent with the requirements for payment set forth in the ITR.

20. Despite making various promises to pay as demanded, FMB has failed to pay any funds due from each Sight Draft to CIA, and TUG/Wright have failed to cause FMB to make the required payments.

21. As a result of the failure to perform, CIA has been damaged both by failure to receive the funds demanded and also suffers from frozen bank account, judgments entered against it, and the possibility of treble damages and attorney fees.

145. Upon information and belief, at the time of Wright's representations to CIA concerning FMB's ability to secure the bonds with ITRs, Wright and TUG knew that FMB did not have the ability to fully secure the bonds with ITRs.

146. Instead, upon information and belief, Wright and TUG made the false representations to CIA with the sole purpose to

induce CIA to generate bond business for TUG, which in turn would generate a commission for TUG and Wright.

147. Had CIA known that FMB was unable to fund each of the ITRs that CIA believed was securing the bonds obtained and underwritten by TUG, CIA would not have agreed to use bonds to secure its insurance products.

148. CIA has been damaged as a result of the false representations made by Wright, both individually and on behalf of TUG.

WHEREFORE, CIA demands judgment against Wright and TUG, jointly and severally, for damages, pre-judgment and post-judgment interest, costs, and such other relief as this Court deems appropriate.

Re: Commercial Insurance Alliance, a Reciprocal Insurance Company

Dear Chief Financial Officer Atwater:

Please be advised that the Office of Insurance Regulation (hereinafter referred to as the "Office") has determined that one or more grounds exist for the initiation of delinquency proceedings, pursuant to Chapter 631, Florida Statutes, against Commercial Insurance Alliance, a Reciprocal Insurance Company (hereinafter referred to as "CIA").

CIA is a Florida reciprocal insurer that was authorized to transact insurance business in the State of Florida on May 5, 2006. CIA's Certificate of Authority was suspended by the Office, on August 19, 2009, pursuant to Order 105772-09. CIA has not written new insurance policies in the State of Florida since its suspension on August 19, 2009. CIA has on file with the Office a five hundred thousand U.S. Dollar (\$500,000) deposit, which could help facilitate run-off of the remaining loss and loss adjustment expenses. The Office questions whether the management of CIA is capable of achieving a solvent run-off and as such it is appropriate for the Department of Financial Services (hereinafter referred to as the "Department") to be appointed as receiver.

The grounds that allow a petition for an order appointing the Department as receiver and directing it to liquidate the business of a domestic insurer are specified in Section 631.061, Florida Statutes. I am advising you of the Office's determination so that delinquency proceedings can be initiated by the Division of Rehabilitation and Liquidation. The following document is attached in support of such determination:

No bank, savings and loan association or other financial institution shall be permitted to exercise any form of set-off, alleged set-off, lien, any form of self-help whatsoever, or refuse to transfer any funds or assets to the Receiver's control without the permission of this Court.

W. Any entity furnishing telephone, water, electric, sewage, garbage or trash removal services to Respondent shall be required to maintain such service and transfer any such accounts to the Receiver as of the date of the Order, unless instructed to the contrary by the Receiver.

X. Y. The United States Postal Service shall be directed to provide any information requested by the Receiver regarding Respondent and to handle future deliveries of Respondent's mail as directed by the Receiver.

Z. All claims shall be filed with the Receiver on or before 11:59 p.m. three hundred sixty five (365) days from the effective date of this order, or be forever barred, and all such claims shall be filed on proof of claim forms prepared by the Receiver.

The rights of the parties to any such contracts are fixed as of the date of the Order and any cancellation under this provision shall not be treated as an anticipatory breach of such contracts.

BB. All affiliated companies and associations, including but not limited to Commercial Insurance Alliance, and the shareholder-owners of Commercial Insurance Alliance, shall be directed to make their books and records available to the Receiver, to include all records located in any premises occupied by said affiliate, whether corporate records or not, and to provide copies of any records requested by the Receiver whether or not such records are related to Respondent. 4. Pursuant to Section 631.031, Florida Statutes, the Department is empowered to apply to this Court for an Order directing the Respondent to show cause why the Department should not be appointed Receiver of Respondent for purposes of liquidation under any of the following grounds set out in Section 631.061, Florida Statutes.

5. Section 631.061, Florida Statutes, and Section 631.051 (11), Florida Statutes, authorize the Department to apply to this Court for an order directing it to rehabilitation or liquidate a domestic insurer upon the ground that the insurer has consented to such an order through the majority of its directors, stockholders, members or subscribers.

6. Re: Commercial Insurance Alliance, a Reciprocal Insurance Company

Dear Chief Financial Officer Atwater:

Please be advised that the Office of Insurance Regulation (hereinafter referred to as the "Office") has determined that one or more grounds exist for the initiation of delinquency proceedings, pursuant to Chapter 631, Florida Statutes, against Commercial Insurance Alliance, a Reciprocal Insurance Company (hereinafter referred to as "CIA").

CIA is a Florida reciprocal insurer that was authorized to transact insurance business in the State of Florida on May 5, 2006. CIA's Certificate of Authority was suspended by the Office, on August 19, 2009, pursuant to Order 105772-09. CIA has not written new insurance policies in the State of Florida since its suspension on August 19, 2009. CIA has on file with the Office a five hundred thousand U.S. Dollar (\$500,000) deposit, which could help facilitate run-off of the remaining loss and loss adjustment expenses. The Office questions whether the management of CIA is capable of achieving a solvent run-off and as such it is appropriate for the Department of Financial Services (hereinafter referred to as the "Department") to be appointed as receiver.

The grounds that allow a petition for an order appointing the Department as receiver and directing it to liquidate the business of a domestic insurer are specified in Section 631.061, Florida Statutes. I am advising you of the Office's determination so that delinquency proceedings can be initiated by the Division of Rehabilitation and Liquidation. The following document is attached in support of such determination:

Exhibit A – Affidavit of Stephen J. Szypula
