## Ethics Link

Select this link to report your concern

**An Ethical Culture**  
The Department of Revenue is committed to an ethical workplace. Our success depends on employees who openly discuss concerns and raise workplace issues. It also depends on handling those concerns and issues fairly and consistently. **The Department of Revenue has zero tolerance for any direct or indirect retaliation against anyone who, in good faith, reports a workplace concern or issue.**

**Ethics Link**  
You can use Ethics Link to report a concern online for yourself, a direct report, or a coworker. Ethics Link is an additional option for reporting concerns - it does not replace already existing methods.

**Reported Information**  
Revenue is committed to safeguarding the sensitive information reported through Ethics Link. Although Revenue must comply with Florida Public Records Law, every effort within the law will be made to keep the information you provide confidential during the review and investigation process.

**Use Ethics Link to:**

- Report observations of inappropriate workplace behavior
- Report issues about employee performance
- Report concerns about safety and security
- Seek guidance for other work-related issues
