Fully Involved Sponsor \$3,000

The Fully Involved level will give you maximum exposure and profile throughout the Symposium.

- Acknowledgement as Fully Involved Sponsor on official Symposium website and in literature with logo.
- Opportunity to address the attendees
- Ability to place signage at all symposium locations and events.
- 2 Complimentary exhibit tables or outside displays
- 3 additional complimentary Symposium registrations

3rd Alarm Sponsor \$2,000

- Acknowledgement as 3rd Alarm Sponsor on official Symposium website and in literature with logo.
- Opportunity to address attendees
- Complimentary exhibit table or outside display
- 2 additional complimentary Symposium registrations

2nd Alarm Sponsor \$1,000

- Acknowledgement as 2nd Alarm Sponsor on official Symposium website and in literature with logo.
- Complimentary exhibit table or outside display.
- 1 additional complimentary Symposium registrations

1st Alarm Sponsor \$500

- Acknowledgement as 1st Alarm Sponsor on official Symposium website and in literature with logo.
- Complimentary exhibit table or outside display

Please note: You will have the opportunity to meet with attendees throughout the entire symposium. Vendor display areas will be made available in inside common areas, as well as outside for apparatus placement, tents, and display flags.

If you have EV products that you want to demonstrate, please discuss the opportunity to schedule with Director Rice or Assistant Director John Gatlin.
