The Fire and Emergency Incident Information System Technical Advisory Panel meeting was called to order.

On a motion duly made, the minutes from the Fire and Emergency Incident Information System Technical Advisory Panel held on July 18, 2022, were approved.

Motion carried.

REPORT FROM DIVISION: *given by JoAnne Rice, Director*

Director Rice introduced present SFM staff; John Gatlin, Bureau Chief, Fire Prevention, Joe Landreville, new supervisor for Standards Section, Eugenia Tucker, Assistant Superintendent FSFC, Melissa Dembicer, SFM Tallahassee, Lisa Allen, SFM Tallahassee, Willie Saulsberry, FFIRS/Community Risk Reduction in Tallahassee.

Moment of silence for Wayne Watts – over 41 years in the fire service and former SFM employee.

As newly appointed Director, Director Rice plans to carry on the good work that Director Halas did and build on it. Statewide Strategic planning is on the schedule.

REPORT FROM FFIRS: *given by Willie Saulsberry, SFM*

- Encouraging departments to report quarterly instead of a large dump of data at the end of the year.
- Departments reporting through outside vendors need assistance/training
 - Training section inside of system
 - A web-based class will be held in the future with Q&A
- Tableau – with accurate reporting this will tie in with Community Risk Reduction as data will pinpoint areas in the community that need to be looked at
- Reaching out to other states to see how they are reporting in NFRIS and their community risk reduction plans
- Will be adding on a Community Risk Reduction Coordinator

REPORT FROM EMS: *Tom DiBernardo, Florida Department of Health (handout provided)*

- Received 4.5 million records this year
- Most vendors report within 4 hours of a call (97% of records)
- Secured a Federal Grant – 30 benchmarked performance measures now available for a total of 85 ready to use.
- New features
 - Heat map by zip code
 - Notify – you can ask the system to alert you when a specific call comes in
 - Good use made of system during storms such as carbon monoxide/generator calls – live data
