Abby, this email is to document our conversation about Commissioner Ron Rubin. I was very concerned to hear the behavior you described to me. I have discussed the matter with my general counsel and we would like to examine the complaint filed and any other complaints your office has received or any personnel file notes regarding Mr. Rubin's behavior. I have cc'ed CFO Patronis and my general counsel Peter Penrod on this email. The CFO would like to review any documents as quickly as possible. Thank you for your attention to this matter.
